Performance Evaluation:

- Board of Directors :**

As per the applicable provisions of the Act, 2013 and the Listing Regulations, the Board has to carry out evaluation of its performance, Committees of the Board and Individual Directors of the Company based on the criteria laid down by Nomination & Remuneration Committee. Feedback was sought by way of structured questionnaire covering various aspects of the Board's functioning/ effectiveness, such as Board Structure, understanding Business including Risks, Ethics & Compliance, Governance, Strategy, Financial & Risk Awareness, Stakeholders' right, Financial Reporting process including Internal Controls and Audit Function etc.

- Independent Directors:**

Performance evaluation of Independent Directors was done by the entire Board of Directors excluding the Director being evaluated. On the basis of that evaluation the performance of the Independent Directors has been found satisfactory and the Board of Directors were of the view that the performance of the Independent Directors is beneficial for the Company. The parameters used by Board of Directors for the performance evaluation of Independent Directors:

- Roles and responsibilities to be fulfilled as an Independent Director.
- Participation in Board Processes.

Separate Meeting of the Independent Directors:

During the Financial Year 2016-17, as per the requirement of Schedule IV of the Act, 2013 and the Listing Regulations, 1 (One) separate meeting of Independent Directors was held on 8th February, 2017 without the presence of the Non-Independent Directors and the members of the management to discuss the following :

- Performance of Non-Independent Directors and the Board as a whole;
- Performance of the Chairperson of the Company;
- To assess the quality, quantity and timeliness of flow of information.

All the Independent Directors were present throughout the meeting. They expressed their satisfaction about effective strategy, performance management and towards the best practices in governance and compliance. They also expressed their satisfaction towards transparency and the freedom to express views on the business transacted at the meetings and the openness with which the management discuss various subject matters on the agenda of the meeting.

Familiarisation Programme for the Independent Director:

The Company has a familiarisation programme for its Independent Directors. The objective of the programme is to familiarise the Independent Directors to enable them to understand the operation of the Company, its business, industry and environment in which it functions and the regulatory environment applicable to it. These include orientation programme upon induction of new Directors as well as other initiatives to update the Directors on a continuing basis.

During the financial year 2016-17, no new Independent Director was appointed on the Board of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economic Overview

In Calendar Year 2016, a global economic growth of 3.1% was recorded which was supported by revival of emerging economies, while reticent growth was recorded in developed markets. Increase in the prices of oil and other major commodities like copper and iron-ore helped the recovery in global trade towards the end of Calendar Year 2016. The uptrend in global trade resulted from an increase in import demand in Asia and US, boding well for primary demand trends. Markets focused on geopolitical developments with change in leadership in USA, and UK working on modalities around its exit from the European Union. Global growth remained stable.

Activity rebounded in USA after a weak first half of Calendar Year 2016, as the economy approached full employment. The low interest rate around the globe and abundant liquidity cycle are likely to slowly normalise.

India was the fastest growing major economy in the world, after surpassing China last year.

For Financial Year 2016-17, Gross Domestic Product growth rate was 7.1%, aided by government spending and strong consumption growth. Inflation eased sharply following a decline in food inflation caused by the government's prudent food management. Declining vulnerabilities on the fiscal and external fronts and government's commitment to fiscal consolidation revived the confidence of the investors in the economy, resulting in record Net Foreign Direct Investment.

The Financial Year 2016-17 was also marked by two major economic measures by the government. The demonetization move initiated by the Government to promote a cashless economy and to counter the shadow economy has boosted digital payments in the country. Further, the Goods and Services Tax (GST) - Constitution Amendment Bill, passed by the government for implementation from 1st July, 2017 is expected to have a significant impact on the taxation structure in the country.

Industry Structure and Developments

Manaksia Limited engaged itself in trading in products from the respective industrial sectors, the structure and development of which are as below:

Steel:

Despite marginal improvement in steel market conditions in some regions, crisis conditions still prevail in some economies. It is not clear whether the positive impetus observed earlier this year is maintainable. Adversities of financial weaknesses and unaddressed overcapacity darken the positive outlook.

While a bearish sentiment remains in the steel market, it improved slightly during the first half of 2016, amid an increase in steel demand and prices. Steel consumption figures have rapidly fallen in some major steel-consuming economies during the last year, though demand for steel products has shown cautious signs of recovery in a few economies. Growth in world crude steel production has slowed down significantly in the past three years. Global steel production, which continued to decline sharply during the first months of 2016, has shown signs of a turnaround and is projected to start recovering in 2017-18.

The Indian steel sector posted a healthy 11% growth in production in 2016-17 at 101.20 MT even though domestic consumption remained weak - mainly due to poor demand from the user segments like construction, automobiles and white goods sector.

JPC data showed that exports more than doubled during the year while imports declined, making India a net exporter of steel.

From April 2015, to protect primary steel producers the government had initiated a host of measures to counter predatory imports including raising import duty, imposition of minimum import price (MIP), anti-dumping duty and safeguard duty in a phased manner.

Aluminium:

In 2016, global aluminium demand apart China, grew by 3% year-on-year while Chinese demand grew by 7% last year, driven by stronger primary demand supported by incentives. Global aluminium production grew by 3% year-on-year, with Chinese production continuing to account for more than 50% of global supply. Rationalisation of supply side themes have emerged from China since the start of 2017, with the announcements related to winter production cuts to control air pollution. Aluminium LME prices moved up 20% compared to 2016 lows and premiums gained further as global aluminium markets fell into deficit.

In the next year, the global demand for aluminium is expected to increase by 4%. In India, steps taken to develop the country's infrastructure continue to drive demand and this trend is expected to continue. It is felt that Indian aluminium demand would grow by 7.7% next year. On the supply side, market views are mixed with respect to China implementing measures to control production growth. According to CRU, global primary aluminium production is forecasted to increase by 6.2% in 2017 to 62.5 Million tonnes. Indian production is expected to grow by 18% in 2017 and contribute 72% of the production increase globally, apart China.

Packaging Products:

The metal packaging market is buyer-oriented. It has shown considerable growth due to the resurgence of the food and beverage industry. The need for convenient packaging in developed and developing economies is the driving force for the global metal packaging market. Emerging economies like India, China and Brazil have changed their buying pattern by purchasing more packaged food. Rising food market enables the global players to introduce new products, expand to new regions and develop new technologies. Asia-Pacific with emerging nations is the most attractive market because of its inclination towards improvement in quality of food.

The global metal packaging market is expected to reach USD 135.69 Billion by 2020, with a CAGR of 3.0% from 2015 to 2020. This is because strong growth of end-use industries in developing countries including India, China and Brazil is further anticipated to drive the market growth over the projected period.

The metal packaging market is primarily driven by increasing urbanization, rise in packaged food sales, increasing demand for aerosol products, rising demand for metal packaging in alcohol industry and increasing consumption of canned vegetables and foods. Pharmaceuticals and cosmetics industry is also propelling the growth of the metal packaging market. The drivers of the metal packaging market include increasing beverage and food market improved standard of living.

Your Company is taking all possible steps to improve its performance and is also exploring various options for improving its bottomline. The Company is also making certain tactical changes which would result in further reduction of overheads thereby contributing to the profitability in the years to come.

Internal Control Systems

An effective system of internal control helps your Company maintain both internal controls and procedures to ensure all transactions are authorised, recorded and reported correctly and also ensure disclosure and protection of physical and intellectual property. The Company has appointed a firm of Chartered Accountants as Internal Auditors who independently evaluate the adequacy of the internal control system from time to time. For ensuring transparency and effectiveness, the management considers and takes appropriate action on the recommendations made by Statutory Auditors, Internal Auditors and by Management Committee/Audit Committee of the Board of Directors. The Company utilises the SAP Platform in order to have proper internal control procedure with the required authorization and “maker and checker” concept. This helps in correct recording of transactions and elimination and timely rectification of errors. The Company is also in the process of incorporating desired changes in its ERP system as required for migration to Goods & Services Tax being implemented from 1st July, 2017.

Human Resources

During the year under review, employee relations continued to be cordial throughout the year. The Company employs about 60 people.

Finance Cost

During the year under review the finance cost stood at ₹ 9.85 lacs, as compared to ₹ 18.56 lacs in the previous year ended on 31st March, 2016.

Cautionary Statement

Statements in the Management Discussion and Analysis, describing the Company’s objectives, outlook and expectation, may constitute “Forward Looking Statements” within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied expectations, projections etc. Several factors make a significant difference to the Company’s operations, including climatic conditions, economic scenario affecting demand and supply, Government regulations, taxation, natural calamity and other such factors over which the Company does not have any direct control.

INDEPENDENT AUDITOR'S REPORT

To the Members of Manaksia Limited

Report on the Financial Statements

We have audited the accompanying standalone financial statements of Manaksia Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2017, the statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters that are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Act, those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

ANNEXURE-B

To The Independent Auditor's Report

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Manaksia Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, (the 'Standards') issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper

management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1 : SIGNIFICANT ACCOUNTING POLICIES

(Annexed to and forming part of the financial statements for the year ended March 31, 2017)

I) Basis of preparation of Financial Statement

The financial statements are prepared under the Historical cost convention method, using the accrual system of accounting in accordance with the Generally Accepted Accounting Principles in India including the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.

II) Revenue Recognition

Revenue from sale of goods and services rendered is recognized upon transfer of title and rendering of services to the customers.

- Sales include trade sales.
- Gross Sales include applicable taxes unless separately charged and are net of discount.
- Sales are recognized on dispatch except consignment sales which are recognized on receipt of statement of accounts from the agent.

III) Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statement and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

IV) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition inclusive of duties (net of CENVAT/VAT), taxes, borrowing costs directly attributable to acquisition, incidental expenses and erection/ commissioning etc., upto the date, the asset is ready for its intended use.

Depreciation

- a) Depreciation on all Property, Plant and Equipments is provided as per Schedule II of Companies Act, 2013 under Straight Line Method over estimated useful lives for each category of assets as under:
- Factory Building : 30 years
 - Plant and Machinery : 15 years
 - Electrical Installation and Equipments : 10 Years
 - Furniture and Fixture : 10 Years
 - Office Equipment : 05 Years
 - Motor Vehicles : 08 Years
 - Computers : 3, 6 Years
- b) Depreciation includes amortisation of leasehold land over the period of lease.
- c) The residual value of assets has been considered as five percent of the original cost of the assets as per Schedule II of the Act.
- d) Depreciation is provided on pro-rata basis on additions and deletions of Property, Plant and Equipments during the year.
- e) In case of impairment, if any, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.
- f) Software costs are amortized using the Straight Line Method over estimated useful life of 6 years.

V) Impairment of Assets

The carrying amount of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on external/internal factor. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount which represents the greater of the net selling price and value in use of the assets. The estimated cash flows considered for determining the value in use, are discounted to the present value at weighted average cost of capital.

VI) Foreign currency transaction

a) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

c) Exchange Differences

Exchange differences arising on the settlement/conversion of monetary items are recognized as income or expenses in the year in which they arise.

The premium or discount arising at the inception of forward exchange contracts is amortised as expenses or income over the life of the respective contracts. Exchange differences on such contracts are recognised in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or expense for the year.

VII) Investments

Long term Investments are stated at Cost less provisions recorded to recognise any decline, other than temporary, in the carrying value of each investment. Investments in foreign companies are considered at the exchange rates prevailing on the date of their acquisition. Current investments are carried at lower of cost or fair value of each investment.

VIII) Inventories**Inventories are valued as follows**

- a) Raw materials, finished goods, Stock in trade, Work in process, Packing materials and stores & spares are valued at lower of cost or net realisable value. Closing stock has been valued on Weighted Average basis.
- b) Saleable scraps, whose cost is not identifiable, are valued at estimated realisable value.

IX) Research & Development

Research and development expenditure of revenue nature are charged to Profit & Loss Account, while capital expenditure are added to the cost of Property, Plant and Equipments in the year in which these are incurred.

X) Employee Benefits

- i) Short term employee benefits are charged off at the undiscounted amount in the year in which the related service is rendered.
- ii) Post employment and other long term employee benefits are charged off in the year in which the employee has rendered services. The amount charged off is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gain and losses in respect of post employment and other long term benefits are charged to Profit and Loss Account/Project Development Expenditure Account.

XI) Earnings per Share

Basic earning per share is calculated by dividing the net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

XII) Excise Duty and Custom Duty

Excise duty on finished goods stock lying at factories is accounted for at the point of manufacture of goods and accordingly, is considered for valuation of finished goods as on the Balance Sheet date. Custom duty on imported material in transit / lying in bonded warehouse is accounted for at the time, the same are released from Customs/ Bonded warehouse.

XIII) Financial Derivatives and Commodity Hedging Transactions

In respect of derivative contracts, premium paid, gains/losses on settlement and provision for losses for cash flow hedges are recognised in the Statement of Profit and Loss, except in case where they relate to borrowing costs that are attributable to the acquisition or construction of Property, Plant and Equipments, in which case, they are adjusted to the carrying cost of such assets.

XIV) Borrowing Costs

Borrowing Costs relating to acquisition / construction of qualifying assets are capitalized until the time all substantial activities necessary

to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

XV) Taxation

Tax expenses comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

The deferred tax for timing differences between the book and tax profits for the year is accounted for using the tax rates and laws that have been substantially enacted as on the Balance Sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. If the company has carry forward unabsorbed depreciation and tax losses, deferred tax assets are recognised only to the extent there is virtual certainty supported by convincing evidence that sufficient taxable income will be available against which such deferred tax asset can be realized.

XVI) Segment Reporting

a) Identification of segments

The company has identified its business segments as the primary segments. The company's businesses are organized and managed separately according to the nature of products/ services, with each segment representing a strategic business unit that offers different product / services and serves different markets. The analysis of geographical segments is based on the areas in which the customers of the company are located.

b) Allocation of Common Costs

Common allocable costs are allocated to each segment on case to case basis applying the ratio, appropriate to each relevant case. Revenue and expense, which relates to the enterprise as a whole and are not allocable to segment on a reasonable basis, have been included under the head "Unallocated".

The accounting policies adopted for segment reporting are in line with those of the Company.

XVII) Prior Period Expenses/Income

Material items of prior period expenses/income are disclosed separately.

XVIII) Provision, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the Members of Manaksia Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Manaksia Limited ("the Holding Company") and its subsidiaries (collectively referred to as "the Company" or "the Group"), which comprise the Consolidated Balance Sheet as at 31st March 2017, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued there under. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated financial position of the Group, as at 31 March 2017 and its consolidated financial performance and its consolidated cash flows for the year then ended.

ANNEXURE-A

To The Independent Auditor's Report

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March 2017, we have audited the internal financial controls over financial reporting of Manaksia Limited ("the Holding Company") and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Note 1 : SIGNIFICANT ACCOUNTING POLICIES

(Annexed to and forming part of the financial statements for the year ended March 31, 2017)

I) Basis of Preparation of Consolidated Financial Statements

These consolidated financial statements have been prepared to comply with the Generally Accepted Accounting Principles of India (Indian GAAP), including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013.

II) Principles of Consolidation

The consolidated financial statements relate to Manaksia Limited ('the Company') and its subsidiary companies. The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra group transactions in accordance with Accounting Standard (AS) 21 – "Consolidated Financial Statement".
- b) In case of foreign subsidiaries, being non-integral foreign operations, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognized in the Exchange Fluctuation Reserve.
- c) The difference between the costs of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries is recognized in the financial statements as Goodwill or Capital Reserve, as the case may be.
- d) Minority interest's share of net profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- e) Minority interests' share of net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Company's shareholders.
- f) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.

III) Other Significant Accounting Policies

Consolidated Financial Statements are intended to serve as a means of informative disclosure and a guide to better understanding the consolidated position of the Companies. Recognising this purpose, the Company has disclosed only such Policies and Notes from the individual financial statements, which fairly present the needed disclosures.

IV) Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

V) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition inclusive of duties (net of CENVAT/VAT), taxes, borrowing costs directly attributable to acquisition, incidental expenses and erection/ commissioning etc., upto the date, the asset is ready for its intended use.

Depreciation

- a) Depreciation on Property, Plant and Equipment is provided as per Schedule II of Companies Act, 2013 under Straight Line Method over estimated useful lives for each category of assets as under :
 - Factory Building : 30 years
 - Plant and Machinery : 15 years
 - Electrical Installation and Equipments : 10 Years
 - Furniture and Fixture : 10 Years
 - Office Equipment : 5 Years
 - Motor Vehicles : 8 Years
 - Computers : 3, 6 Years
- b) Depreciation includes amortisation of leasehold land over the period of lease.
- c) The residual value of assets has been considered as five percent of the original cost of the assets as per Schedule II of the Act.

- d) Depreciation is provided on pro-rata basis on additions and deletions of Property, Plant and Equipment during the year.
- e) In case of impairment, if any, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.
- f) Software costs are amortized using the Straight Line Method over estimated useful life of 6 years.

VI) Impairment of Assets

The carrying amount of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on external/internal factor. An impairment loss is recognised wherever the carrying amount of an asset exceeds it's recoverable amount which represents the greater of the net selling price and value in use of the assets. The estimated cash flows considered for determining the value in use, are discounted to the present value at weighted average cost of capital.

VII) Foreign currency transaction

a) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

c) Exchange Differences

Exchange differences arising on the settlement/conversion of monetary items are recognised as income or expenses in the year in which they arise.

The premium or discount arising at the inception of forward exchange contracts is amortised as expenses or income over the life of the respective contracts. Exchange differences on such contracts are recognised in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or expense for the year.

VIII) Investments

Long term Investments are stated at Cost less provisions recorded to recognise any decline, other than temporary, in the carrying value of each investment. Investments in foreign companies are considered at the exchange rates prevailing on the date of their acquisition. Current investments are carried at lower of cost or fair value of each investment.

IX) Inventories

Inventories are valued as follows :

- a) Raw materials, finished goods, Stock in trade, Work in process, Packing materials and stores & spares are valued at lower of cost or net realisable value. Closing stock has been valued on Weighted Average basis.
- b) Saleable scraps, whose cost is not identifiable, are valued at estimated realisable value.

X) Research & Development

Research and development expenditure of revenue nature are charged to Statement of Profit and Loss, while capital expenditure are added to the cost of Property, Plant and Equipment in the year in which these are incurred.

XI) Employee Benefits

- i) Short term employee benefits are charged off at the undiscounted amount in the year in which the related services are rendered.
- ii) Post employment and other long term employee benefits are charged off in the year in which the employee has rendered services. The amount charged off is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gain and losses in respect of post employment and other long term benefits are charged to Statement of Profit and Loss/Project Development Expenditure Account.

XII) Earnings Per Share

Basic earning per share is calculated by dividing the net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders

and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

XIII) Excise Duty and Custom Duty

Excise duty on finished goods stock lying at factories is accounted for at the point of manufacture of goods and accordingly, is considered for valuation of finished goods as on the Balance Sheet date. Custom duty on imported material in transit / lying in bonded warehouse is accounted for at the time, the same are released from Customs/ Bonded warehouse.

XIV) Financial Derivatives and Commodity Hedging Transactions

In respect of derivative contracts, premium paid, gains/losses on settlement and provision for losses for cash flow hedges are recognised in the Statement of Profit and Loss, except in case where they relate to borrowing costs that are attributable to the acquisition or construction of Property, Plant and Equipment, in which case, they are adjusted to the carrying cost of such assets.

XV) Borrowing Costs

Borrowing Costs relating to acquisition / construction of qualifying assets are capitalized until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

XVI) Taxation

Tax expenses comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting year for the year and reversal of timing differences of earlier years.

The deferred tax for timing differences between the book and tax profits for the year is accounted for using the tax rates and laws that have been substantially enacted as on the Balance Sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. If the company has carry forward unabsorbed depreciation and tax losses, deferred tax assets are recognised only to the extent there is virtual certainty supported by convincing evidence that sufficient taxable income will be available against which such deferred tax asset can be realized.

XVII) Segment Reporting

a) Identification of segments

The company has identified its business segments as the primary segments. The company's businesses are organized and managed separately according to the nature of products/ services, with each segment representing a strategic business unit that offers different product/services and serves different markets. The analysis of geographical segments is based on the areas in which the customers of the company are located.

b) Allocation of Common Costs

Common allocable costs are allocated to each segment on case to case basis applying the ratio, appropriate to each relevant case. Revenue and expense, which relates to the enterprise as a whole and are not allocable to segment on a reasonable basis, have been included under the head "Unallocated".

The accounting policies adopted for segment reporting are in line with those of the Company.

XVIII) Prior Period Expenses/Income

Material items of prior period expenses/income are disclosed separately.

XIX) Provision, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.
