- 2 Other income for the nine months ended 30th September 2016, includes ₹ 21.04 crore, towards writeback of provision for interest on income tax relating to earlier years.
- 3 During the previous year, the Competition Commission of India (CCI), vide their Order dated 31st August, 2016, has imposed a penalty of ₹ 1,163.91 crore on the Company. On Company's appeal, Competition Appellate Tribunal (COMPAT) has granted a stay on the penalty with a condition to deposit ₹ 116.39 crore, being 10% of the penalty amount, which has been deposited.

In a separate matter, pursuant to a reference filed by the Director, Supplies and Disposals, Government of Haryana, the CCI by its Order dated 19th January, 2017 has imposed a penalty of ₹ 29.84 crore on the Company. On Company's appeal the COMPAT has stayed the operation of CCI's order in the meanwhile.

Based on the advice of external legal counsel, the Company believes it has good grounds on merit for a successful appeal in both the aforesaid matters. Accordingly, no provision is considered necessary in the above financial results. Further, pursuant to Notification issued by Central Government on 26th May, 2017, any appeal, application or proceeding pending before COMPAT shall stand transferred to National Company Law Appellate Tribunal (NCLAT).

- 4 The Company follows January to December as the financial year and has adopted Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder, from 1st January, 2017, therefore the above financial results have been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 "Interim Financial Reporting" and the other accounting principles generally accepted in India.

- 7 The Government of India introduced the Goods and Services tax (GST) with effect from 1st July, 2017. GST is collected on behalf of the Government and no economic benefit flows to the entity and does not result in an increase in equity, consequently revenue for the quarter ended 30th September, 2017 is presented net of GST. Sales of earlier periods included excise duty which now is subsumed in GST. The nine months period ended 30th September, 2017, includes excise duty up to 30th June, 2017.

Post GST, pending notification from the State Government for continuance of the scheme, on prudent basis the Company has not recognised approx ₹ 38 crore towards VAT incentive for the quarter and nine months ended 30th September, 2017. The Company is confident of continuance of the scheme.
- 9 The Supreme Court vide its order dated 13th October, 2017, has disposed of the Company's special leave petition related to contribution towards District Mineral Fund (DMF) under the Mines and Mineral (Development and Regulation) Amendment Act, 2015. INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF AMBUJA CEMENTS LIMITED

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **AMBUJA CEMENTS LIMITED** ("the Company"), which includes a Joint Operation consolidated on a proportionate basis, for the quarter and nine months ended 30th September, 2017 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016.

This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
3. Based on our review conducted as stated above and based on the consideration of the review report of the other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India; has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. We draw attention to Note 3 to the Standalone Financial Results which describes the following matters:
 - a. In terms of order dated 31st August, 2016 the Competition Commission of India (CCI) has imposed a penalty of Rs.1,163.91 crores for alleged contravention of the provisions of the Competition Act, 2002 by the Company. The Company has filed an appeal against the CCI order before the Competition Appellate Tribunal (COMPAT). The COMPAT has granted a stay on the CCI order on the condition that the Company deposits 10% of the penalty amount i.e. Rs.116.39 crores, which has been deposited.

Deloitte Haskins & Sells LLP

- b. In terms of the order dated 19th January, 2017 the CCI has imposed penalty of Rs.29.84 crores pursuant to the reference filed by the Director, Supplies and Disposals, State of Haryana in August 2012 for alleged contravention of the provisions of the Competition Act, 2002 by the Company. An appeal has been filed with the COMPAT against the said order and an interim stay has been granted by the COMPAT in the matter.

As per a recent amendment, the Competition Appellate Tribunal (COMPAT) has ceased to exist effective 26th May, 2017. The appellate function under the Competition Act, 2002 (Competition Act) is now conferred to the National Company Law Appellate Tribunal (NCLAT) and accordingly, the matters are now pending with NCLAT.

Based on the advice of external legal counsel, no provision has been considered necessary by the Company in respect of these matters. Our report is not modified in respect of these matters.

5. We draw attention to Note 6 to the Standalone Financial Results which describes the accounting for amalgamation of Holcim (India) Private Limited with the Company in accordance with then applicable accounting standards as per the scheme. Our report is not modified in respect of this matter.
6. We did not review the financial results and other financial information of a joint operation included in the Statement whose results reflect total revenues of Rs.0.01 crores and Rs.0.01 crores for the quarter and nine months ended 30th September, 2017 respectively, as considered in this Statement. The results of the joint operation have been reviewed by other auditors whose reports have been furnished to us, and our report in so far as it relates to the amounts and disclosures included in respect of the joint operation, is based solely on the report of such other auditors.

Our report is not modified in respect of this matter.

Cement sales volumes and realisations improved strongly in Q3 2017, as compared to the same quarter of the previous year. Net sales increased by 14.4%.

Although top line grew strongly on account of higher sales growth and value-based pricing, we faced cost pressures on account of rising input costs on fuel, packing and other raw material.

5. Outlook

The government has identified the construction and infrastructure sector as one of the key sectors that will help improve overall economic growth. Infrastructure projects in the areas of power, irrigation, roads, metros and railways, as well as dedicated freight and industrial corridors, are likely to generate strong cement demand in the country. Furthermore, increased spending on affordable and low cost housing coupled with the normal monsoon is expected to boost the rural economy which augurs well for the cement industry.
