Limited Review Report on Quarterly and Year to Date Unaudited Consolidated Financial Results of Reliance Communications Limited pursuant to Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (continued)

Reliance Communications Limited

6. We did not review the financial results of certain subsidiaries considered in the preparation of the Statement, whose financial results reflect total assets of Rs. 13,512 crores as at 30 September 2017, total revenues of Rs. 68 crore and Rs.160 crore for the quarter and the half year ended 30 September 2017 respectively and total net loss after tax of Rs.39 crore and Rs.36 crore for the quarter and half year ended 30 September 2017 respectively. We also did not review the financial results of two associates considered in the Statement, whose financial results reflect Group's share of net profit of Rs.1 crore and Rs.1 crore for the quarter and the half year ended 30 September 2017 respectively. These financial results as approved by the respective Board of Directors of these subsidiaries and associates have been furnished to us by the Management, and our report on the Statement in so far as it relates to the amounts included in respect of these subsidiaries and associates is based solely on such board approved financial results. Our report on the Statement is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and interim financial results certified by the respective management.
7. We draw attention to Note 2 of the Statement regarding the Schemes of Arrangement ("the Schemes") sanctioned by the Hon'ble High Court of Judicature at Mumbai, the Company and one of its subsidiary, namely, Reliance Infratel Limited, are permitted to adjust additional depreciation, expenses and/or losses, which have been or are required to be debited to the statement of profit and loss by a corresponding withdrawal or credit from/to General Reserve, as determined by the respective Board of Directors of the Company and its subsidiary. During the quarter and half year ended 30 September 2017, net exchange variations of Rs. 184 crore (loss) and Rs. 350 Crore (loss) respectively are in the opinion of the respective Board of Directors of the Company and its subsidiary, considered to be of an exceptional nature and are withdrawable from General Reserve as per the Schemes mentioned above. Consistent with the practice followed in earlier periods, the withdrawal from General Reserve for exchange variations, if any, relating to foreign currency monetary items other than long-term foreign currency monetary items, depreciation on exchange variations capitalised and amortization of Foreign Currency Monetary Item Translation Difference Account (FCMITDA) would be done at the year-end. Consequently, reported other equity, current liabilities, property, plant & equipment and current assets as at 30 September 2017 would have been Rs.22,809 crore, Rs. 41,747 crore, Rs.52,505 crore, and Rs.12,018 crore respectively. Above treatment has no impact on the reported profit for the quarter and the half year ended 30 September 2017.

Based on our review conducted as above, and based on the consideration of reports of other auditors on interim financial results of the subsidiaries as noted in paragraph 5 and 6 above, and except for our comments in paragraph 7 above, nothing has come to our attention that causes us to believe that the accompanying Statement of un-audited consolidated financial results prepared in accordance with applicable accounting standards

i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with relevant rules issued there under and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5 July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

- 9 (i) We draw attention to Note 2 of the Statement regarding the Scheme of arrangement ('the Scheme') sanctioned on 3 July 2009 by the Hon'ble High Court of Judicature at Mumbai, the Company is permitted to adjust additional depreciation /amortization which has been or is required to be debited to the statement of profit and loss by a corresponding withdrawal or credit from General Reserve, as determined by the Board of Directors. During the quarter and half year ended 30 September 2017, consistent with the practice followed in earlier periods and the exercise of choice by the Company in accordance with the Scheme which may be considered to override the relevant provisions of Indian Accounting Standard 8 (Ind AS 8) 'Accounting Policies, Changes in Accounting Estimates and Errors', the Company has withdrawn Rs.141 crore and Rs.280 crore respectively from General Reserve to offset additional depreciation and amortization on account of fair valuation of certain assets. Had such withdrawal not been made, the Group and its associates would have reported a loss of Rs.2,850 crore and Rs.4,199 crore the quarter and half year ended 30 September 2017 respectively.
- (ii) As stated in note 5 of the statement, the Company is under financial stress and engaged with the Joint Lenders' Forum (JLF), to finalize an overall debt resolution plan under the Strategic Debt Restructuring Scheme (SDR Scheme) for the Company and its two subsidiaries, RTL and RITL. The Management is confident about their plan and accordingly accounts has been prepared on going concern basis.

Our review report is not modified in respect of this matter.

Limited Review Report on Quarterly and year to date Unaudited Standalone Financial Results of Reliance Communications Limited pursuant to Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

**To the Board of Directors of
Reliance Communications Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results ('the Statement') of Reliance Communications Limited ('the Company') for the quarter and half year ended 30 September 2017 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5 July 2016 issued by SEBI.
2. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 11 November 2017. Our responsibility is to issue a report on these financial results based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. We draw attention to Note 2 of the Statement regarding the Scheme of Arrangement ("the Scheme") sanctioned on 03 July, 2009 by the Hon'ble High Court of Judicature at Mumbai, the Company is permitted to adjust additional depreciation, expenses and/or losses, which have been or are required to be debited to the statement of profit and loss by a corresponding withdrawal or credit from/to General Reserve, as determined by the Board of Directors. During the quarter and half year ended 30 September 2017, consistent with the practice followed in earlier periods, net exchange variation of Rs. 171 crore (loss) and Rs.330 crore (loss) respectively are in the opinion of the Board considered to be of exceptional nature and are withdrawable from General Reserve as per the Scheme referred above, the withdrawal from General Reserve for exchange variations, if any, relating to foreign currency monetary items other than long term foreign currency monetary items, depreciation on exchange variations capitalized and amortization of Foreign Currency Monetary Items Translation Difference Account (FCMITDA) would be done at the year end. Consequently, reported other equity, current liabilities, property, plant & equipment and current assets as at 30 September 2017 would have been Rs. 19,494 crore, Rs.27,025 crore, Rs.14,899 crore and Rs.14,455 crore respectively. Above treatment has no impact on the reported loss for the quarter and the half year ended 30 September 2017.
5. Based on our review conducted as above, and except for our comments in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement of un-audited standalone financial results prepared in accordance with applicable accounting standards is true and correct.

6. (i) We draw attention to Note 2 of the Statement whereby pursuant to the Scheme, the Company is permitted to adjust additional depreciation and amortization which has been or is required to be debited to the statement of profit and loss by a corresponding withdrawal or credit from General Reserve, as determined by the Board of Directors. During the quarter and the half year ended 30 September 2017, consistent with the practice followed in earlier periods and the exercise of choice by the Company in accordance with the Scheme approved vide court Order dated 03 July, 2009, which may be considered to override the relevant provisions of the Indian Accounting Standard 8 (Ind AS 8) 'Accounting Policies, Changes in Accounting Estimates and Errors', the Company has withdrawn Rs. 141 crore and Rs. 280 crore respectively from General Reserve to offset additional depreciation and amortisation on account of fair valuation of certain assets.
