Dear Sir/ Madam,

This is with reference to the order issued by the Judicial Magistrate, Gurugram directing the police authorities to register an FIR with regard to two complaints made by Elan against PVR. The allegations made by Elan in the complaints are denied by PVR as the same are incorrect and baseless and have been made with the sole intention to malign PVR and tarnish it's image.

In the year 2016, PVR was approached by Elan, offering multiplex space in certain projects proposed to be constructed by Elan in Gurugram. The parties entered into MoU based on several representations made by Elan. PVR subsequently discovered that Elan had misrepresented facts and was therefore constrained to terminate the MOUs and a civil dispute is currently pending between the parties inter alia in this regard.

PVR is seeking legal advice with regard to the order passed by the Judicial Magistrate, Gurgaon and shall take appropriate recourse under applicable laws. Since the aforesaid proceedings are currently sub-judice, PVR is not in a position to provide any further comments at this stage.

This is for your information and to all concerned.
