Limited Review Report on Standalone Financial Results of IL&FS Engineering and Construction Company Limited for the quarter and six months ended 30 September 2017 pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015

To,
The Board of Directors of IL&FS Engineering and Construction Company Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results (“the Statement”) of IL&FS Engineering and Construction Company Limited (“the Company”) for the quarter and six months ended 30 September, 2017, enclosed herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5 July 2016.
2. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5 July 2016 is the responsibility of the Company’s Management and has been approved by the Board of Directors of the Company in its meeting held on 28 November 2017. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. The unaudited financial results for the comparatives corresponding quarter and six months ended 30 September 2016 included in the financial results, are based on the previously issued results of the Company prepared in accordance with Companies (Accounting Standard) Rule 2006, reviewed by the predecessor auditor, whose review report dated 02 November 2016 expressed a modified opinion on those financial results, and has been adjusted by Management for the differences in accounting principles adopted by the Company on transition to Ind AS but have not been subjected to review or audit. Additionally, the report of the predecessor auditor on financial results for quarter ended 30 June 2017, which have been included in this Statement, expressed a modified opinion whose report dated 28 August 2017, has been furnished to us and has been relied upon by us for the purpose of our review of the Statement.

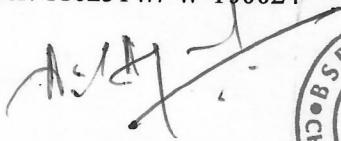

5. As more fully explained in Note 7 of the accompanying statement, as at 30 September, 2017, the Company has investment (including advance of Rs. 197 Lakhs) amounting to Rs. 3,516 Lakhs made in an overseas subsidiary. Based on the latest available unaudited financial statements of the aforesaid subsidiary as on 31 March 2017, the net worth of the subsidiary is fully eroded and the Company may have potential obligation to share further liabilities of the said subsidiary, which is presently under negotiation and hence undeterminable. Based on the reasons fully explained in the aforesaid note, the Management is of the view that no provision is required for diminution in the value of such investment/potential obligation, as the Company is evaluating options to restore the carrying value of the investment. However, in the absence of sufficient and appropriate audit evidence, we are unable to comment on the carrying value of such investment, potential obligation and other consequential impacts, if any, that may be required in this regard in these accompanying standalone financial results.
6. The unaudited financial results also include the Company's share of net profit after tax of Rs. 68 and 200 lakhs for the quarter and six months ended 30 September 2017 respectively considered in the Statement, in respect of Integrated Joint Ventures (JV's), whose interim financial result has not been reviewed by us. As set out in Note 8 to the Statement and as represented by the Management of the Company, the amounts included herein have been based on interim financial information of the said joint ventures and have not been subjected to a review. We are unable to comment on the consequential impact that may have been required had the financial information of the joint ventures been subjected to review.
7. Based on our review conducted as above, except for the possible effects, if any, of our observations in paragraphs 5 and 6, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standard (Ind AS) specified under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5 July 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
8. We draw attention to :
- a) Note 9 of the accompanying statement regarding Rs. 25,967 Lakhs investment of the Company in Pass Through Certificates ("PTC") issued by the Maytas Investment Trust ("the Trust") and receivables, loans and advances and investments aggregating to Rs. 16,872 Lakhs which are dependent upon recovery of capacity charges and supplies/ availability of natural gas to a gas based power generating plant, increase in traffic on road investments, final award of the claim and positive outcome of the litigations in the investee companies, etc. Based on internal assessment, legal advice and fair valuation, Management does not currently envisage any diminution in the carrying value of aforesaid assets.

- b) Note 10 of the accompanying statement regarding amount due from customers (project work-in-progress). The Company had recognised claims in case of various projects of which balance as at 30 September, 2017 aggregates to Rs. 37,691 Lakhs (net of amount payable to subcontractor against aforesaid balances) and interest of Rs. 33,324 Lakhs (including interest of Rs. 13,255 Lakhs and Rs. 14,466 Lakhs recognised during the quarter and six months ended 30 September 2017 respectively) for non-payment of project dues, delays due to handing over of the land, drawings, etc. for project execution which are in various stages of arbitration/appeal with Honorable High Court of New Delhi/ advanced stages of negotiations with customer and have been recognised based on Honorable Supreme Court order/ arbitration award/ completion of arbitration proceedings/ provisions in agreement and supported by the Extension of Time recommended by the Independent Engineers. Further, in one of the aforesaid projects, the customer has withheld an amount of Rs. 1,730 Lakhs as liquidated damages for delays in project completion which is also dependent on the aforesaid judicial proceedings. Based on expert opinion and internal assessment, the Management is of the view that the claims including interest are tenable and there exist no uncertainty as to ultimate collection.
- c) Note 11 of the accompanying statement regarding Inter Corporate Deposits (ICDs) amounting to Rs. 34,378 Lakhs which is under litigation. Based on internal evaluation and expert advice, Management is of the opinion that the Company has the ability to ultimately recover the aforesaid ICDs.

The ultimate outcome of the above matters cannot presently be determined, pending approvals, acceptances, legal interpretations, conclusion of legal proceedings, resolution of uncertainty around availability of gas, achievement of traffic projections, favourable settlement of claims and ultimate realisation etc., as referred to in the relevant notes to the accompanying statement referred above, accordingly no adjustment has been made in the carrying value of the aforesaid assets. Our conclusion is not qualified in respect of the aforementioned matters.

- (7) As at 30 September, 2017, the Company has made investment (including advance of Rs. 197 lakhs) of Rs. 3,516 Lakhs in an overseas subsidiary. Based on the latest available management certified financial statements of the aforesaid subsidiary as on 31 March 2017, the net worth of the subsidiary is fully eroded and the Company may have potential obligation to share further liabilities of the said subsidiary, which is presently under negotiation and hence undeterminable. Management is in discussion with the other shareholder of the subsidiary on various options and is confident to restore the carrying value of the investment and therefore no provision considered necessary for diminution in the value of such investment/potential obligations. In respect of the aforesaid, the Statutory Auditors of the Company have qualified their limited review report for the quarter and six months ended 30 September 2017
- (8) The financial results include the Company's share of profits (net) aggregating to Rs. 68 Lakhs and Rs. 200 Lakhs for the quarter and six months ended 30 September 2017 respectively from Integrated Joint Ventures in which the Company is a Co-venturer, based on Management certified financial statements of the Joint Ventures. These financial results are based on the Management certified financial information of the joint ventures. As the joint ventures do not present reviewed financial results on a quarterly basis, amount included therein have not been subject to review by the Statutory Auditors of the respective joint ventures. In respect of the aforesaid, the Statutory Auditors of the Company have qualified their limited review report for the quarter and six months ended 30 September 2017
- (9) In the earlier years, pursuant to the Debt Restructuring Programme, the Company had settled an irrevocable trust, namely, Maytas Investment Trust (Trust). The objective of the Trust was to dispose certain underlying investments held and settle the liability towards the Pass Through Certificate (PTC) holders, wherein the Company was also a contributory. As at 30 September 2017, the investment of the Company includes Rs. 25,967 Lakhs contributed towards these PTCs and has receivables, loans and advances and investments aggregating to Rs. 16,872 Lakhs which are dependent upon recovery of capacity charges and supplies/ availability of natural gas to a gas based power generating plant, increase in traffic on road investments, final award of the claim and positive outcome of the litigations in the investee companies, etc.

Based on internal assessment, legal advice and fair valuation carried out by external experts of underlying investments held by the Trust, Management does not currently envisage any diminution in the value of aforesaid assets. In respect of the aforesaid, the Statutory Auditors of the Company have drawn Emphasis of Matter in their limited review report for the quarter and six months ended 30 September 2017

- (10) In the earlier years, the Company had accrued proportionate revenue to the extent of percentage of completion in case of various projects of which balance as at 30 September, 2017 amounts to Rs. 37,691 Lakhs (net of amount payable to subcontractor against aforesaid balances) and interest of Rs. 33,324 Lakhs (including interest of Rs. 13,255 Lakhs and Rs. 14,466 Lakhs recognised during the quarter and six months ended 30 September 2017 respectively) for non-payment of project dues, delays due to handing over of the land, drawings, etc. for project execution which are in various stages of arbitration/ appeal with Hon'ble High Court of New Delhi/ advanced stages of negotiations with customers and have been recognised based on Honorable Supreme Court order/ arbitration award/ completion of arbitration proceedings/ provisions in agreement and supported by the Extension of Time recommended by the Independent Engineers. Further, in one of the aforesaid projects, the customer had withheld an amount of Rs. 1,730 Lakhs as liquidated damages for delays in project completion which is also dependent on the aforesaid judicial proceedings

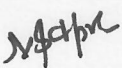

Since these claims are technical in nature and subject to judicial process, the Company has obtained legal opinion on the recoverability of such claims including interest from independent counsel. The Company has been legally advised that the amounts are good of recovery. On the basis of expert opinion and internal assessment, the Management is of the view that the claims including interest are tenable and there exist no uncertainty as to ultimate collection. Pending outcome of the judicial process, the above amounts are being carried as recoverable. In respect of the aforesaid, the Statutory Auditors of the Company have drawn Emphasis of Matter in their limited review report for the quarter and six months ended 30 September 2017

- (11) Prior to 1 April 2009, the erstwhile promoters had given certain Inter Corporate Deposits (ICDs) to various companies aggregating to Rs. 34,378 Lakhs. Of the foregoing, documentary evidences had been established that, for an amount of Rs. 32,378 Lakhs, the then Satyam Computer Services Limited (SCSL) was the ultimate beneficiary and for which a claim together with compensation receivable had been lodged by the Company. During the earlier years, SCSL had merged into Tech Mahindra Limited (TML) pursuant to a Scheme of Arrangement u/s. 391-394 of the Companies Act, 1956. As provided in the Scheme and as per the Judgment of Hon'ble High Court of Andhra Pradesh on the said Scheme, the aforesaid amount in books of SCSL was transferred to TML. The Company, through its subsidiaries, preferred an Appeal before the Division Bench of Hon'ble High Court of Andhra Pradesh against the single judge's Order approving the merger scheme of SCSL which is pending as on date. TML, in its Audited Financial Results for the period ended 30 September 2017 continued to disclose as "Suspense Account (Net) Rs. 123,040 lakhs" as disclosed by SCSL earlier. Management is of the opinion that the claim made by the Company on SCSL is included in the aforesaid amount disclosed by TML in its Audited Financial Results. The Company is confident of recovering the said ICDs together with compensation due thereon from SCSL/TML.

Further, based on internal evaluation and/or expert advice, documentary evidences available with the Company and in view of the observations of the Special Court in its verdict dated 9 April 2015 on the criminal case filed by the Central Bureau of Investigation, confirming that an amount of Rs. 142,500 lakhs was transferred to SCSL through the intermediary companies, out of which an amount of Rs. 123,040 lakhs continues to subsist with SCSL, Management is of the opinion that the Company's case on the recoverability of the aforesaid amounts is ultimately certain. In respect of the aforesaid, the Statutory Auditors of the Company have drawn Emphasis of Matter in their limited review report for the quarter and six months ended 30 September 2017

- (12) These financial results will be made available on the Company's Website viz., www.ilfsengg.com and websites of BSE Limited and National Stock Exchange of India Limited viz., www.bseindia.com and www.nseindia.com respectively
