Dear Sir,

This is in compliance of Regulations of SEBI (LODR) Regulation, 2015. Please refer your letter under reference on the captioned subject.

As a part of its expansion plans, Petronet has been looking at various options, including investments in other regasification terminals on the west and the east coast of India. No final investment decision has, however, been taken in this regard.

We are not aware of any information that has not been announced to the Stock Exchanges which has led to the movement in our scrip.

We hope the above clarifies.

Thanking you.

Yours faithfully
