Dear Sir(s),

We write to inform you that Texmaco Rail & Engineering Limited (“Company”) has been awarded a Contract, valuing USD 67.7 Million, by the Ministry of Railway, Bangladesh Government, for construction of 45 Kilometer Dual Gauge Railway Line, including Railway stations buildings, Level Crossing gates and a Custom House Building through North Eastern Border area in Maulavibazar District of Bangladesh adjoining Karimganj District of Assam state of India. The Rail route is expected to enhance trade and passenger transportation between the two countries by opening a new Custom Check post.

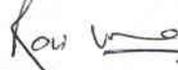

The line segment is planned to be constructed within a period of 18 months by the EPC Division – Kalindee Rail Nirman of the Company. Track would be made with high standards of Railway construction specifications to carry 25 Ton axle load to ease transportation of heavy goods and commodities between the two countries. It is a part of an ambitious multinational “TRANS ASIA RAILWAY NETWORK” Program. Part of the fund would be provided by the Government of India through EXIM Bank under a Line of Credit.

This is for your record and information.

Thanking You,

Yours Faithfully,

For Texmaco Rail & Engineering Limited

Ravi Varma
Company Secretary
