PRESS RELEASE

NIIT Accredited by Learning and Performance Institute for the Second Consecutive Year

New Delhi, India / London, United Kingdom, December 07 2017: NIIT Limited, a leading provider of managed training services announced today that it has earned the status of Accredited Learning Provider for the second consecutive year. NIIT was awarded the accreditation for its “commitment to high quality and process improvement in the provision of learning, development and training services to clients” by the Learning and Performance Institute (LPI), UK.

LPI is a leading global membership body for learning professionals and organisations, whose aim is to raise the profile of those in the workplace learning sector by sharing and celebrating the knowledge, experience and skills of their members and accredited partners. LPI accreditation is the globally-recognised quality mark for providers of learning products, technologies, services, and facilities.

The learning provider accreditation is done through a rigorous audit where a learning provider is validated against a globally-recognised quality mark, based on performance data from thousands of learning providers.

Through this accreditation, NIIT has been independently and internationally acknowledged as a forward-thinking, reputable provider, committed to learner outcomes, performance development and customer satisfaction.

Speaking on the occasion, **Sailesh Lalla**, EVP Business Development at NIIT’s Corporate Learning Group said, “The LPI accreditation strengthens our commitment to deliver measurable business impact and value to our customers by thoroughly evaluating our performance against best-in-class providers. The LPI benchmarks performance data across our peers and we are delighted to meet and exceed these globally recognised standards set by the LPI.”

Edmund Monk, CEO, Learning and Performance Institute said, "The LPI’s accreditation programme is not only a benchmark – it’s an ongoing, consultant-led performance evaluation with clearly-defined business improvement goals. Only the very best learning organizations achieve accreditation, so I would like to congratulate the team at NIIT for their efforts in attaining – and maintaining - the highest levels of quality in their learning provision. Customers and partners of NIIT can be assured of its commitment to excellence and dedication to continuous improvement.”
