### a. Measurement of financial liabilities

As per Ind AS, certain financial liabilities like Loan from related parties have been recognised at fair value on initial recognition. Subsequently, those have been measured at amortised cost by using Effective Interest Method (EIR).

- 2. We conducted our review in accordance with Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatements. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. The comparative financial information included in the statement for the figures for the quarter ended 30th June 2017 and quarter and half year ended 30th September 2016 included in this statement under report were reviewed/audited by the Company's predecessor auditors, vide their Review report dated 11 September 2017 whose report has been furnished to us by the management and which has been relied upon by us for the purpose of our review of the statement. Our report is not modified in respect of this matter.

# **Emphasis of Matter**

We draw attention to the Note No 5, regarding preparation of financial statements on a going concern basis, despite complete erosion of net worth and current liabilities exceeding current assets, also there were lower cash inflows from existing business activities and default in payment of dues to banks and financial institutions. Our opinion is not qualified in respect of this matter.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Índ AS') specified under section 133 of the Companies Act,2013 read with relevant rules issued thereunder and other recognised

Accounting principles and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI(Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circulars No. CIR/CFD/FAC/62/2016 dated 5th July 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
