Independent Auditor's Review Report on the Unaudited Condensed Interim Consolidated Financial Statements

To the Board of Directors of NATCO Pharma Limited

Introduction

1. We have reviewed the accompanying unaudited condensed interim consolidated financial statements of NATCO Pharma Limited ('the Company') and its subsidiaries (the Company and its subsidiaries together referred to as 'the Group') (Refer Annexure 1 for the list of subsidiaries included in the unaudited condensed interim consolidated financial statements), which comprise the unaudited condensed interim consolidated Balance Sheet as at 30 September 2017, the unaudited condensed interim consolidated Statement of Profit and Loss (including other comprehensive income), the unaudited condensed interim consolidated Cash Flow Statement, the unaudited condensed interim consolidated Statement of Changes in Equity for the half year then ended, and selected explanatory notes ('the Unaudited Condensed Interim Consolidated Financial Statements'). These Unaudited Condensed Interim Consolidated Financial Statements have been prepared by the management for the purpose of inclusion in the Preliminary Placement Document and the Placement Document ('Placement Documents') prepared in connection with the proposed offering of equity shares in a Qualified Institutions Placement, in accordance with the provisions of Chapter VIII of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended ('SEBI ICDR Regulations') to persons outside the United States of America pursuant to Regulation S of the United States Securities Act of 1933, as amended (the 'Securities Act') and to Qualified Institutional Buyers (as defined in Rule 144A of the Securities Act) pursuant to Section 4(a)(2) of the Securities Act ("the Proposed Offering"). Management is responsible for the preparation and presentation of these Unaudited Condensed Interim Consolidated Financial Statements in accordance with the requirements of Ind AS 34 'Interim Financial Reporting' specified under Section 133 of the Companies Act, 2013 ("the Act"), read with relevant rules issued thereunder and other accounting principles generally accepted in India, which have been approved by an equivalent committee of the Board of Directors of the Company. Our responsibility is to express a conclusion on these Unaudited Condensed Interim Consolidated Financial Statements based on our review.

Scope of review

2. We conducted our review in accordance with Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

3. Based on our review conducted as above and upon consideration of the review reports of the other auditors, nothing has come to our attention that causes us to believe that the accompanying Unaudited Condensed Interim Consolidated Financial Statements are not prepared, in all material respects, in accordance with Ind AS 34 specified under the Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India.

Other matters

- 4. We did not review the financial statements of six subsidiaries included in the Unaudited Condensed Interim Consolidated Financial Statements, which have been prepared in accordance with accounting principles generally accepted in the countries of their incorporation, whose financial statements reflect total assets of ₹778 million and net assets of ₹473 million as at 30 September 2017, and total revenues of ₹341 million and net cash outflows of ₹68 million for the half year then ended, whose financial statements have not been reviewed by us. These financial statements of such subsidiaries have been reviewed by other auditors under generally accepted auditing standards applicable in that country, whose review reports have been furnished to us by the Management of the Company. Our report in respect of the Unaudited Condensed Interim Consolidated Financial Statements of the Company is based solely on the reports of such other auditors and the conversion adjustments have been prepared by the Management of the Company and reviewed by us.
- 5. We draw attention to Note 3 to the Unaudited Condensed Interim Consolidated Financial Statements, which states that the Company has also submitted unaudited consolidated financial results for the half year ended 30 September 2017 pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, on which we issued an unmodified review report dated 2 November 2017 to the Board of the Directors of the Company.

Our conclusion is not modified in respect of these matters.

Restriction on distribution or use

6. These Unaudited Condensed Interim Consolidated Financial Statements have been prepared by the Management solely for the purpose of inclusion in the Placement Documents prepared in connection with the Proposed Offering. This report is issued solely for the aforementioned purpose and accordingly may not be suitable for any other purpose, and should not be used, referred to or distributed for any other purpose or to any other party without our prior written consent. Further, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come without our prior consent in writing.

Principles of consolidation

a. Subsidiaries

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

KNA

NATCO Pharma Limited Select explanatory notes for the period ended 30 September 2017

b. Change in ownership interests

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid of received is recognised within equity.

c. Interest in other entities
