# Business Highlights

## Pre-fab continuing to gain traction

- Government order continues during the quarter, however implementation started in the 2<sup>nd</sup> quarter
- Delay in orders by our clients due to the implementation of GST
- Quikbuild now approved by CPWD and various state PWDs
- Quikbuild orders in excess of Rs. 100 million being negotiated
- Launched authorized contractor/licensee program to scale up Quikbuild implementation
- Steel fire-rated/clean room door manufacturing commenced operations at the Karad facility
  - Capex already incurred in Q1/Q2 FY18
- Karad facility also to supply steel parts for existing appliance customers

## Packaging – steady performance

- Expanding & deepening relationship with leading consumer durable players – Godrej & Boyce, Haier
- Subsidiary unit in Supa, Maharashtra expected to boost profitability starting Q3 FY18, unit volumes expected to increase 50% by Q4FY18. Supa subsidiary profitability should approx. equal all other EPS units combined (post-tax) by Q1 FY19

## Entry into new geographies

- J&K project – IIT Jammu (Partition walls); Uttarakhand villas; Madhya Pradesh villas project
- Starting a factory in Delhi to cater to the Quikbuild projects in the North Indian region

## Sale of land & building executed

- Sale of land and building at MIDC, Patalganga for Rs. 80 million has been completed as of Nov 2017
- Profit on sale of Rs 25.3 million will be booked in Q3 FY17

## Commercial Paper issuance

- Issued commercial paper to Indiabulls Liquid Fund for Rs. 10 crore @ 8% to reduce interest costs for working capital

## Appointment of CFO

- Board of Directors of the Company has appointed Mr. V.V. Sridharan as Chief Financial Officer

## Prefab outlook promising

- **GST:** Prefab is a largely unorganised industry; GST expected to be a positive for an established and organised player like Beardsell; enabling greater market access
  - Affordable housing will be exempt from GST and will therefore be less expensive under the GST regime
  - ITC now available for all our pre-fab products – huge reduction in tax incidence, especially for our corporate customers
- To speed up construction of houses under Pradhan Mantri Awas Yojana, PM has asked Ministry for Urban Development to look at 3D construction technology in 25 major cities
- Large Govt and Private sector enquiries in pipeline

# Managing Director's Comments

**Commenting on the results, Mr. Bharat Anumolu, Managing Director, Beardsell Ltd said**

*“We have faced some challenges in the last couple of months. We are now witnessing a gradual turn around and expect order booking to be healthy*

*Given the election bound states we are expecting a large order win in Jan 2018 and completion by April 2018 for at least one low cost housing project, a time bound activity where we qualify on technical parameters with strong references*

*Our packaging business has grown at a healthy pace with increasing contribution from our existing customers. We are also undertaking cost reduction steps to improve margins*

*We remain optimistic on the prospects of both our Prefab and Packaging businesses”*

## Comments on performance

- Marginal hit in revenues mainly due to customers postponing orders – no project cancellations though
- Export order in pipeline for West Africa expected in Q4FY18
- Started manufacturing own machinery for Quikbuild which will lead to savings in capex cost
- Quikbuild enquiries in negotiation stage for various large projects: Villas, anganwadis, clinics/mortuaries, sanitation blocks – totaling Rs. 1,000 million
  - Expect order finalisation by end December 2017

# Pre-fabricated buildings

- Prefab. business operations since last 20 years
- Business success dependent on efficient **time bound delivery** - Beardsell benefits from its commitment towards timely delivery
- Given the **complexity of the business** there are high entry barriers resulting in fewer market players, leading to consistent margins
- Leveraging expertise and know-how in the prefabricated market addressing customized needs of customers with a good delivery model in the South India
- Strong balance sheet to support strategic acquisitions going forward
- Quikbuild business gaining traction:
  - We expect Quikbuild to maintain its momentum
  - Rs 1,000mn in enquiries being negotiated

## Growth Drivers

- Growing awareness of the cost effectiveness of pre-fabricated structures
- Launched franchisee/authorized licensee model for Quikbuild to scale up implementation
- Isobuild projects gaining acceptance in government agencies resulting in follow-on orders
- Emphasis from the PM to use 3D technology to construct affordable homes for the smart cities
- Focusing on clients/projects with assured payment terms and good margins.
- Major focus on southern states

# Pre-fabricated Product Offerings

- Sandwich-panel based cold storage
- Superior insulation property
- Application used in cold storages for Marine, Fruits, Pharma., perishable items

- Value-oriented design philosophy
- Earthquake resistant
- Use of lightweight materials
- Durable and long-lasting

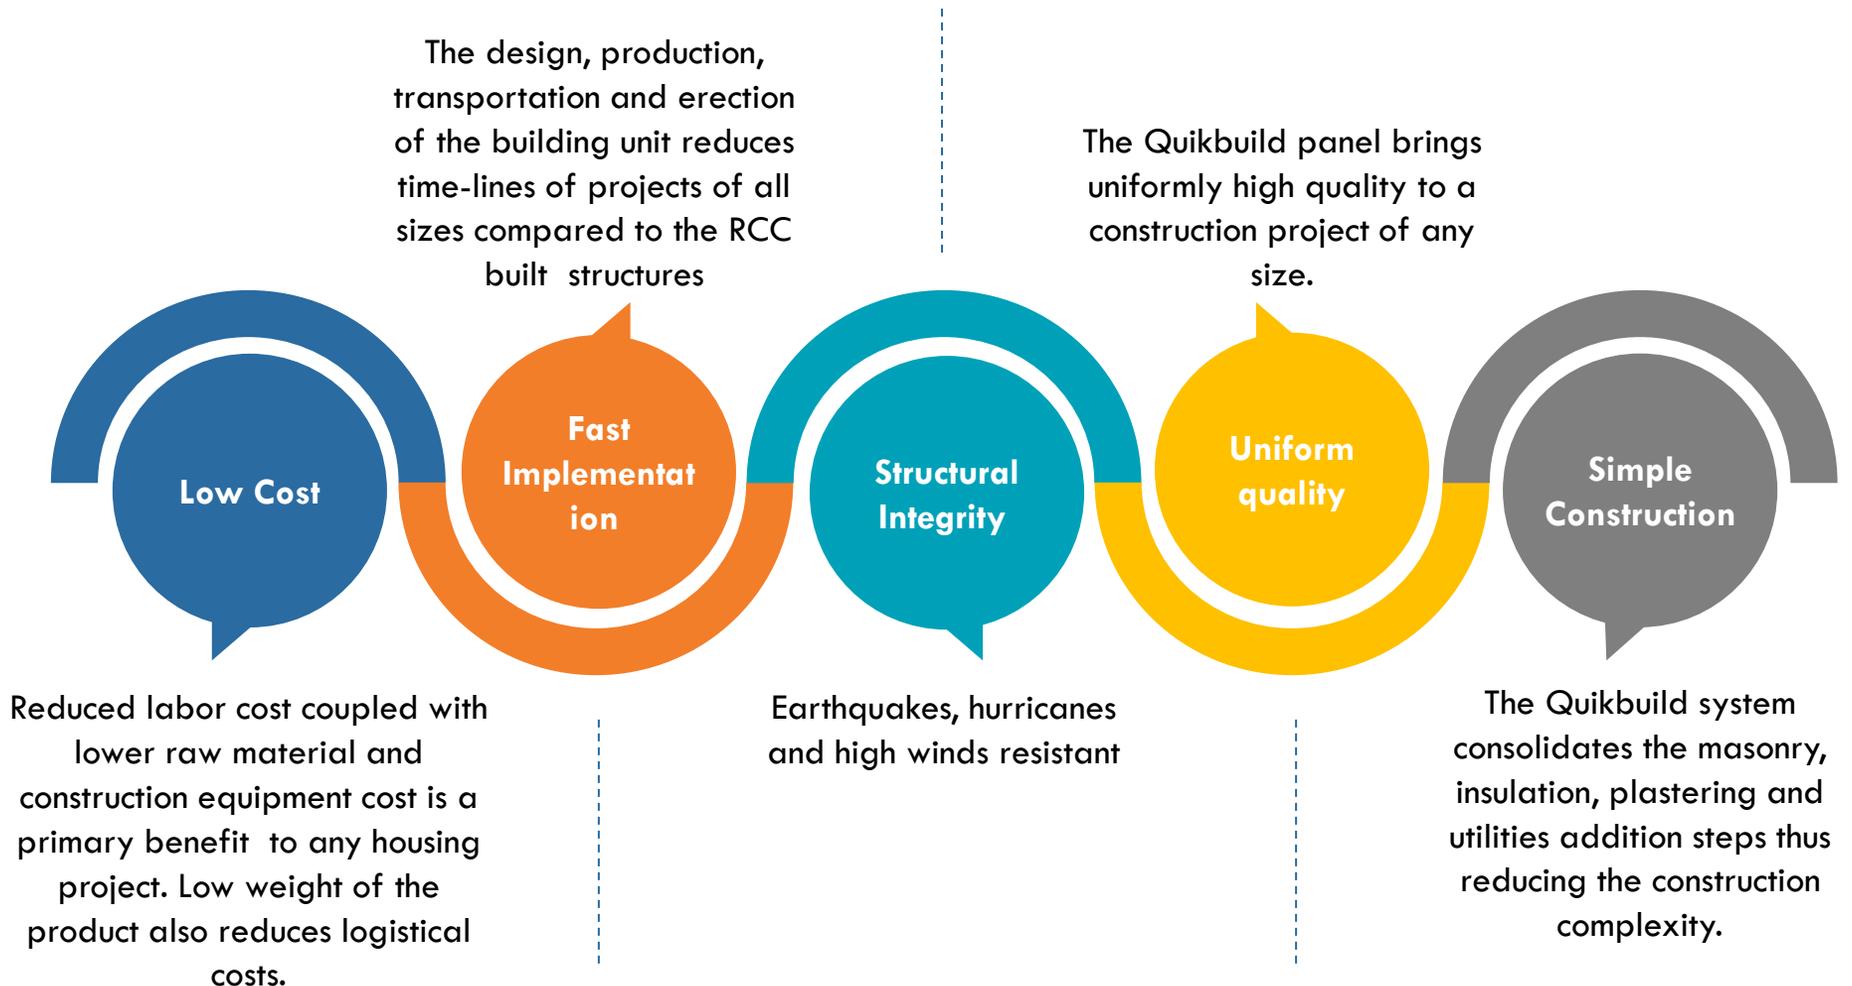

- Student Housing
- Worker housing
- Refugee housing
- Housing for military personnel etc

- Can be dismantled and re-used in a different location if needed
- More energy efficient
- Can be constructed in remote areas

## Comments on performance

- Strong relationships built over years with several leading consumer durable players
- Focus on cost reduction to improve margins
- Increasing revenues from existing large customers – Haier & Godrej
- Started flexible foam business – seat cushions, other custom flexible PU products

- Consistently increased volumes catering to a set of high value / bigger ticket size customers
- Introduced new product variants rather than increasing prices has kept the margins under control
- Given the complexity of the business there are high entry barriers resulting in fewer market players, leading to consistent margins
- With rising demand and quality service sales expected to increase over the next 2-3 years
- Increase in EPS sales, mainly due to aggressive marketing and cost advantages vis-à-vis competitors

## Growth Drivers

- Institutional customers are expected to expand their production capacities over the next 3 years – Beardsell expected to pick up a major share of their increased EPS requirements
- New client addition from sectors untapped earlier will be another key driver for growth
- Consistently increasing volumes and introducing newer product variants

# Packaging & Molded Products Business

- Beardsell has been spearheading the innovations in packaging design and development and has successfully developed cost effective and shock resistant EPS packaging over the years
- The anti-static packaging is a pioneering solution designed by the company offers a viable solution for protecting electronic and ordinance items apart from explosive goods.
- The Packaging business provides complex packaging solutions for various top consumer durable companies ensuring safe and secure transportation

# Growth Drivers

BEARSELL

# Driving Organizational Growth

## Pre-fabricated buildings

- Bid for turnkey projects both from private and government bodies
- Healthy growth expected on the back of rising acceptance in residential and commercial space given its benefits compared to traditional civil structures

## Packaging

- Immunity from raw material price volatility - Larger customers negotiate processing contracts at flat processing charge
- Under utilized capacity provides room for meeting higher demand with no additional capex cost.

## Pharma, Electronics & Specialty

- Rising Government requirements to drive Isobuild (steel sandwich panel) business
