...the people not to be identified matter is private. more information the company's re not end with the officials as it will be by an algorithmating discredited. ranked 119 out es when it comes -aying taxes, ac the World Bank's on the proposed measure.

The new system will be location agnostic as assessing officials will be chosen electronically, making their location irrelevant, the people said. The measure will also help weed out corruption associated with posting of tax officials who often seek to be based in large cities especially Mumbai, home to the headquarters of most large Indian companies.
