Kellton Tech Ranked Number 23 Fastest Growing Technology Company on the Deloitte Technology Fast50 India 2017

Attributes its 158 Percent Revenue Growth to its Winning Strategy in Delivering Digital Transformation Services for Clients

Hyderabad, India, December 6, 2017 - Kellton Tech today announced that it ranked Number 23 on the Deloitte Technology Fast50 India 2017, a ranking of the 50 fastest growing technology companies in India. Rankings are based on percentage revenue growth over three years. Kellton Tech grew 158 percent during this period.

Kellton Tech's CEO, Karanjit Singh, credits the company's winning strategy in delivering digital transformation services for clients with the company's 158% revenue growth over the past three years. He said, "We are honored to make it to Deloitte Technology Fast50 India. This award signifies our constant efforts to enhance our digital transformation services through a unique blend of technology innovation and multi-sector expertise. It also reflects our unique positioning of the digitalization drive in the market and the value that we are adding to our clients across the globe."

"Making the Deloitte Technology Fast50 India ranking is a testament to a company's commitment to technology," Rajiv Sundar, Partner, Deloitte India. "With its 158% growth rate over three years, Kellton Tech has proven that its leadership has the vision and determination to grow during difficult economic times."

Dedicating the award to their employees, Niranjana Chintam, Founder & Chairman, Kellton Tech said, "I am certainly honored but the credit for this achievement goes to the employees of Kellton Tech. They are the innovators, the doers, and the voice of our clients, turning our vision into reality. Building digital transformation solutions is in our DNA. This is the reason why hundreds of organizations around the world count on us not just for our expertise but also for the passion and energy we bring to our work."
