Limited Review Report

The Board of Directors
The State Trading Corporation of India Limited
New Delhi

1. We have reviewed the accompanying statement of unaudited standalone financial results of **The State Trading Corporation of India Limited** for the quarter & half year ended September 30, 2017 into which are incorporated the accounts of Corporate Office and one Branch reviewed by us and ten Branches reviewed by Internal Auditors. This statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, issued by The Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Without modifying our report, we draw attention to note no. 3 to standalone unaudited financial results:- The results and corresponding figures may require adjustments, if any, before constituting the final Ind AS financial statements as of and for the year ending March, 2018 arising from revisions, interpretations and/or clarification of certain exemptions and provisions of Ind AS from its transition date 01.04.2016.
4. Our report on the audited financial statements for the year ending 31st March, 2017 was qualified with regard to
 - (i) Reference is invited to Note no.22.1 and 27.1, Trade receivable includes Rs. 1904.24 crore and other income includes interest of Rs. 231.93 crore booked during the current year on over dues from one of the business associates on account of goods supplied in earlier years. The dues are stated to be secured by EMD of Rs. 29.73 crore and personal guarantee of chairman of its holding company. Consequent upon Conciliation Agreement dated 15.11.2011 and further settlement agreement dated 17.05.2012, the entire dues were payable to the company by 10.11.2012. During the year, the Business Associate remitted an amount of Rs. 70.18 crore on the directions of Hon'ble Supreme Court. Considering the poor recovery, non-availability of security, dispute by party with respect to interest charged, and age of outstanding dues, interest income should not be recognized as per provisions of Accounting Standard- 9 issued by ICAI. Had the company de-recognized the interest income, net loss of current year would have been higher by Rs. 231.93 crore, reserve & surplus and trade receivable would have been lower by Rs. 231.93 crore.

Considering the overall circumstances surrounding the recoverability of outstanding dues of Rs. 1904.24 crore, we are not in a position to ascertain whether the amount is fully recoverable or not. We are informed by the management that petition for execution of decree as per Conciliation Agreements under the Arbitration and Conciliation Act, 1996 has been filed before the Hon'ble Supreme Court wherein it has been held that decree is final. The party has submitted payment proposal before the Hon'ble Apex Court which is still sub-judice before the Hon'ble Apex Court. Cases U/s 138 of Negotiable Instruments Act are also filed by the company before the Hon'ble Civil Court Delhi. The Enforcement Directorate and CBI are also investigating into the matter about cheating and fraud done by the party. We have also been provided affirmative Board Resolution dt. 14.02.2017 and outcome dt. 30.05.2017 that all possible efforts are extended for recovery of the dues through legal process and company is assured of recovering the dues.

Contd.....

- (ii) Reference is invited to Note no.25.1, Rs.7.81 crore is recoverable from HHEC and inspite of various assurances HHEC has not made the payment and in its latest letter dt. 08.02.2017, HHEC has stated that Company's position is still precarious as order position has not improved and new business visualized are not forthcoming etc. and HHEC has approached its Administrative Ministry for looking into matter and to extend financial support. The Company has also not obtained any balance confirmation from HHEC. Considering the above, provision should be made for the amount recoverable from HHEC. Had the company made provision of said recoverable, net loss of current year would have been higher by Rs. 7.81 crore, reserve & surplus and claims recoverable (current assets) would have been lower by Rs. 7.81 crore.
5. Further during the quarter and half year ended 30th September, 2017,
- (i) The Company has recognized interest income of Rs. 65.10 crore and Rs. 127.53 crore respectively with respect to amount recoverable from one of the associate referred in para 4(i) above which should not be recognized for reasons referred in para 4(i) above.
- (ii) The Company has to recover Rs 7.22 crore from M/s HHEC (one of the co-owner) as referred in para 4(ii) above. It is informed that the concerned Ministry has ordered for winding up of the HHEC. In view of the above the net amount recoverable of Rs. 7.22 crore should be provided for.
- (iii) The Company has considered value of property provided by one of the associate at estimated amount of Rs. 6.38 crore while making the provision in the case. However as per the details provided by the management it is stated that inspite of various extensions for E-auction of property no response was received. Considering the above, provision to the extent of value of property considered is short made by Rs 6.38 crore.
- (iv) With regard to difficult financial condition being faced by the company, it has been explained that business restructuring plan is being formulated in consultation with Government(Administrative Ministry), hence we are unable to comment thereon.

Considering the observations made at para 5(i) , 5(ii) & 5(iii) above, had the company derecognized the interest income and made provision of said recoverable, net profit for current period would have been net loss of Rs 120.68 crore, reserve & surplus would have been lower by Rs. 141.13 crore, Trade receivable would have been lower by Rs. 133.91 crore and claims recoverable (current assets) would have been lower by Rs. 7.22 crore.

6. Based on our review conducted as above and subject to our observations in paragraphs 4 and 5 above, we report that nothing else has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results read with notes thereon, prepared in accordance with applicable Indian Accounting Standards specified U/s 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules 2014 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed or that it contains any material misstatement.
