**Sub: Announcement – Start of Commercial Production - New BOPP Line at Karjan, Gujarat, India**

Dear Sir,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we write to inform you that the new line for production of Biaxially-Oriented Polypropylene (BOPP) films at Karjan (Gujarat) has been successfully commissioned ahead of schedule with capital cost lower than planned.

The new line is the most advanced and the largest line available in the world today. The new line is 10.4 meter wide and installed for the first time in the country. The new line has a capacity of 60,000 MT per annum representing increase of over 40% in Company's BOPP manufacturing capacity. The new line is expected to contribute to substantial growth in sales and profit in Financial Year 2017-2018.

You are requested to take the same on your records.

Thanking You

Yours faithfully  
For Cosmo Films Limited
