Notes:

1. The above results have been taken on record by the Board of Directors in its meeting held on February 14, 2017.
2. The Company, inter-alia, manufactures Sugar which is produced during the season and sold throughout the period. As such, the performance in any quarter may not be representative of the annual performance of the Company.
3. The Indian sugar industry, particularly in the State of Uttar Pradesh, had faced difficulties on account of increased sugar cane prices and corresponding lower than expected recovery of sugar from cane, lower sugar prices and consequential under recovery of cost of production in recent times. These factors adversely affected the Company's operations and financial performance, resulting into eroded net worth, mounting cane dues arrears and defaults in debt obligations.

The Company got registered with the Board for Industrial and Financial Reconstruction (BIFR) on 10th September 2013 as sick industrial company (in terms of Section 3(1)(o)) under the provisions of Section 15 (1) of the Sick Industrial Companies (Special Provisions), Act, 1985 (SICA). Meanwhile, the Ministry of Finance issued Notifications S.O. 3568 (E) & S.O. 3569 (E) dated 25 November, 2016 to the effect that SICA has been repealed with effect from 1 December, 2016 and all the references or inquiry pending before the BIFR and/ or AAIFR shall stand abated. With this Order BIFR/AAIFR ceased to exist.

Since the previous sugar season, the industry has witnessed a steady increase in sugar prices and improved cane recoveries. This has resulted in the Company generating profits during the last financial period as well as in current period ended December, 2016. The industry outlook is also positive in the near future.

Besides, the Company has taken the following steps to improve its financial situation, as under :

- a) Executed a Business Transfer Agreement on November 18, 2016 with Indian Potash Limited (IPL) to sell off its Agreed Assets and Liabilities excluding contingent liabilities of Titawi Sugar Complex (unit) on a going concern on an 'AS IS WHERE IS WHAT IS' basis by way of a slump sale. Such sale is on certain terms and conditions, part of which have been fulfilled and the rest are under process. The sale is governed by a Business Transfer Agreement (BTA) which stipulates completion of these activities within a certain time frame.

Accordingly, IPL has taken control of the unit and these accounts reflect comprehensive sale of aforesaid assets/liabilities. The Company has recognised a net gain of Rs. 23,471 lacs which has been reflected under exceptional items in these results.

- b) Effected one time settlement agreements with two lenders, which resulted in the waiver of principal and interest amounting to Rs. 10,273 lacs which has been reflected as a gain under exceptional item in these results.

Pursuant to the assignment of all rights, titles and interests in the financial assistance granted by two other lenders to the Company with an asset reconstruction company, a major portion of the outstanding debts has been restructured for repayment. Also, the Company is in the process of negotiation with the remaining lenders.

In view of the above, the Board of Directors of the Company is confident that the Company would be in a position to realize its assets and discharge its liabilities successfully in the normal course of its business. Accordingly, these financial statements have been prepared on a going concern basis.

4. a) The Central Government had approved the erstwhile Chairman and Managing Director's remuneration (w.e.f. October 15, 2012) vide letter dated April 21, 2014 at an amount lower than that approved by the shareholders in their general meeting. Consequent thereto, the Company had made a representation to the Central Government on November 5, 2014 for waiver of excess remuneration paid to Chairman and Managing Director (ceased to be Managing Director w.e.f. July 31, 2014). Pending outcome thereof, refund of excess remuneration amounting to Rs. 70 lacs paid in terms of shareholders' approval has not been obtained by the Company.

b) The Central Government had approved the former Whole time Director (WTD) Mr. Rajendra Khanna's remuneration (w.e.f. February 01, 2014) vide letter dated June 30, 2015 at an amount lower than that approved by the Shareholders. Consequent thereto, the Company had made a representation to the Central Government on July 21, 2015 for waiver of excess remuneration paid to Mr. Rajendra Khanna, Whole Time Director (ceased to be WTD w.e.f. December 31, 2014). Pending outcome thereof, refund of excess remuneration amounting to Rs. 66 lacs paid in terms of shareholders' approval has not been obtained by the Company.

c) Remuneration amounting to Rs 23.36 lacs paid to Whole Time Director (WTD) up to December 31, 2016 is subject to the approval of Central Government under the provision of the Companies Act, 2013.

5. The Government of Uttar Pradesh has revised the wage rates of sugar wage board retrospectively from October 1, 2013. The Company has determined the impact of the incidence consequent upon such revision, and accordingly charged an amount aggregating to Rs. 940.91 lacs in employee benefits expense for the period ended December 31, 2016.

6. a) The year to date figures(mentioned in column 4) for current period ended December 31, 2016 are not comparable with the year to date figures (mentioned in column 5) for the previous period ended December 31, 2015 as it includes results of 3 quarters of the current financial year as against 4 quarters of last financial year.

b)The results of the current quarter contain results of Titawi unit for one month as it has been sold to Indian Potash Limited as mentioned in note 3 above. Accordingly, the figures are not comparable.

7. Figures for the previous corresponding period have been regrouped wherever necessary.
