Rane (Madras) Ltd. **(RML)**

RML – Standalone Operational Performance Review

Market Environment

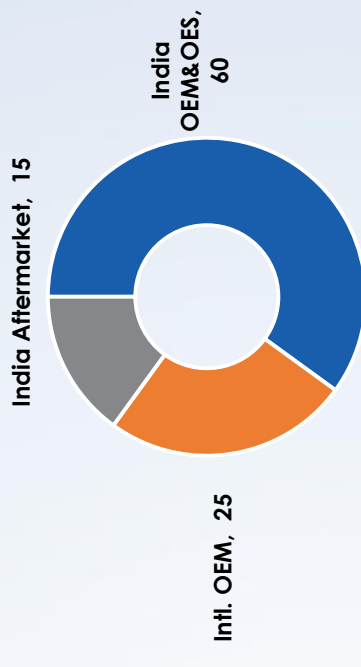

- › Strong demand from Passenger Car and Commercial Vehicle segments for the Steering Gear Products
- › Higher demand for Die-casting products from both International and Indian customers
- › Performance in the Farm Tractors segment is subdued mainly due to higher growth in unserved markets
- › Indian Aftermarket business was impacted by demonetization

Operational Highlights

- › Continued growth in die-cast division supported by ramp up in production volumes at the new unit. However, continued to experience delivery issues and higher rejections in the new program launches.
- › In Steering and Linkages division, 3 major launches for the rack and pinion product along with additional volumes in existing programs.
 - Puducherry plant faced certain operational ramp up issues; additional capacity created in Varanvasi plant as a de-risk measure
