**FOR IMMEDIATE RELEASE**

## **Update on Mohali Facility**

*USFDA to Lift Import Alert  
Regulator to permit supply of products from Mohali facility to the US market*

**Mumbai, India March 14, 2017** – Sun Pharmaceutical Industries Ltd (Reuters: SUN.BO, Bloomberg: SUNP IN, NSE: SUNPHARMA, BSE: 524715, "Sun Pharma" and includes its subsidiaries or associate companies) was informed by the US FDA yesterday, that it will lift the Import Alert imposed on the Mohali (Punjab) manufacturing facility and remove the facility from the Official Action Initiated (OAI) status. This proposed action will clear the path for Sun Pharma to supply approved products from the Mohali facility to the US market, subject to normal US FDA regulatory requirements.

The Mohali facility was inherited by Sun Pharma as part of its acquisition of Ranbaxy Laboratories Ltd. in 2015. The US FDA had taken action against the Mohali facility in 2013 when it ordered the facility to be fully subject to Ranbaxy's Consent Decree of Permanent Injunction. Certain conditions of the consent decree will continue to be applicable to the Mohali facility.

This development illustrates Sun Pharma's commitment to work closely with the US FDA and strive for 100% cGMP compliance at its manufacturing facilities.
