Re: commencement of Commercial Operation of Metro Link from Sikanderpur to Sector 56 in Gurgaon, Haryana

Dear Sirs,

We are pleased to inform that the Rapid MetroRail Gurgaon South Extension project awarded by The Haryana Urban Development Authority to a consortium of IL&FS Transportation Networks Ltd and its subsidiary IL&FS Rail Limited for developing the 6.5 km rail Metro Link Extention from Sikanderpur Station to Sector 56, Gurgaon ("Project") on a DBFOT (Design, Build, Finance, Operate and Transfer) basis has commenced its commercial operations effective March 31, 2017

The project has a concession period of 98 years and allows the concessionaire to collect and appropriate Fare and Non fare Revenue form the project during Concession Period

This is for your information

Thank you

Yours faithfully,
For IL&FS Transportation Networks Limited

Krishna Ghag
Vice President &
Company Secretary
