To The Board of Directors Steelcast Limited

We have audited the accompanying statement of financial results ("the Statement") of Steelcast Limited ("the Company") for the year ended 31st March 2017 being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors has been prepared on the basis of the related financial statements which is in accordance with the Accounting Standards prescribed under Section 133 of the Companies Act 2013, as applicable, and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement.

We conducted our audit in accordance with the standards on auditing generally accepted in India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditors consider internal financial control relevant to the Company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

The figures for the last quarter are the balancing figures between the audited figures in respect of the full year and the unaudited published figures up to the third quarter ended 31st December which were subject to limited review.

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- (i) is presented in accordance with the requirements Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015; and
- (ii) gives a true and fair view of the net profit and other financial information of the Company for the quarter and the year ended 31st March 2017.
