Auditor's Report on Consolidated Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
Board of Directors of
Punjab Chemicals and Crop Protection Limited,

1. We have audited the accompanying statement of consolidated financial results of Punjab Chemicals and Crop Protection Limited ('the Company') comprising its subsidiaries (together, 'the Group'), and its jointly controlled entity for the year ended March 31, 2017, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The consolidated financial results for the year ended March 31, 2017 have been prepared on the basis of the audited annual consolidated financial statements as at and for the year ended March 31, 2017, and the relevant requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and are the responsibility of the Company's management and have been approved by the Board of Directors of the Company. Our responsibility is to express an opinion on these consolidated financial results based on our audit of the annual consolidated financial statements as at and for the year ended March 31, 2017 which were prepared in accordance with applicable accounting standards and other accounting principles generally accepted in India and the relevant requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
3. In case of Sintesis Quimica S.A.I.C, a subsidiary of the Holding Company not audited by us, the other auditor have issued adverse audit opinion indicating that the financial statements of the said subsidiary have been prepared on considering the fundamental assumption of going concern which doesn't hold good, and the financial statements should have been prepared at their net realisable value and which is reproduced as under:

"In our opinion, the Financial Statements referred to in paragraph 1.1 reasonably present in all material respects the information of Sintesis Quimica S.A.I.C's Financial Position as of March 31, 2017, in accordance with Argentine GAAP, if the Company is considered to be going concern. However there are substantial doubts about the ability of the Company to continue its operations and business viability. The Financial statements referred to in paragraph 1.1 does not include the adjustments in assets and liabilities to value them at their net realisable value, as would correspond if the Company enter in a state of compulsory liquidation."

The operations and financial affairs of Sintesis Quimica S.A.I.C are material and having a pervasive effect on the Company's consolidated financial results as at and for the year ended March 31, 2017. In our opinion the assets and liabilities should have been consolidated at net realisable values and accordingly assets and liabilities of Sintesis Quimica S.A.I.C are overstated at Rs. 12,160 lacs and Rs. 12,236 lacs respectively. However we are informed by the management that such final net realisable values are yet to be determined at this stage.

4. In our opinion and to the best of our information and according to the explanations given to us, these year to date consolidated financial results:
- i. includes the results of the following entities:
 - a. Punjab Chemicals and Crop Protection Limited
 - b. SD Agchem (Europe) NV
 - c. Sintesis Quimica S.A.I.C
 - d. STS Chemicals Limited (UK)
 - e. Stellar Marine Paints Limited; (upto November 11, 2016)
 - ii. are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, in this regard; and
 - iii. Because of significance of the matter in the basis for adverse opinion as mentioned in para 3 above, the consolidated financial results do not give the information in the manner so required and do not give a true and fair view of the consolidated net loss and other financial information for the consolidated year to date results for the year ended March 31, 2017.
5. We did not audit the financial statements and other financial information, in respect of three subsidiaries and a jointly controlled entity whose financial statements include total assets of Rs. 12,348 lacs and net assets of Rs. (1,869) lacs as at March 31, 2017 and total revenues of Rs. 11,727 lacs for the year then ended on that date and net cash inflows of Rs.62 lacs for the year ended on that date, included in accompanying consolidated financial results in respect of three subsidiaries (collectively, "the Components"), whose financial statements and other information for the year ended on that date have been audited by other auditors whose reports have been furnished to us. Further we did not audit total assets of Rs. 0.05 lacs and total revenues of Rs. NIL, included in accompanying consolidated financial results in respect of one jointly controlled entity, whose financial statements and other information have not been audited. The audited financial statements, other financial information and auditor's reports have been furnished to us by the holding Company's management. All of three subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors who have submitted their audit reports, prepared under generally accepted auditing standards applicable in their respective countries, to shareholders/Board of Directors of these subsidiaries. The management of Holding Company has converted these audited financial statements and other financial information of the entities located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We audited the adjustments, which were applied to prepare the consolidated financial statements, made by the Company's management to convert the financial statements of these subsidiaries from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India.

II Audit Qualification (each audit qualification separately):				
a) Details of Audit Qualification:				
The Statutory Auditors have provided the following qualification in their annual report:				
Basis of Adverse Opinion				
In case of Sintesis Quimica S.A.I.C, a subsidiary of the Holding Company not audited by us, the other auditor have issued adverse audit opinion indicating that the financial statements of the said subsidiary have been prepared on considering the fundamental				

assumption of going concern which doesn't hold good, and the financial statements should have been prepared at their net realisable value and which is reproduced as under:

"In our opinion, the Financial Statements referred to in paragraph 1.1 reasonably present in all material respects the information of Sintesis Quimica S.A.I.C's financial position as of March 31, 2017, in accordance with Argentine GAAP, if the Company is considered to be going concern. However there are substantial doubts about the ability of the Company to continue its operations and business viability. The Financial statements referred to in paragraph 1.1 does not include the adjustments in assets and liabilities to value them at their net realisable value, as would correspond if the Company enter in a state of compulsory liquidation."

The operations and financial affairs of Sintesis Quimica S.A.I.C are material and having a pervasive effect on the Company's consolidated financial statements as at and for the year ended March 31, 2017. In our opinion the assets and liabilities should have been consolidated at net realisable values and accordingly assets and liabilities of Sintesis Quimica S.A.I.C are overstated at Rs. 12,160 lacs and Rs. 12,236 lacs respectively. However we are informed by the management that such final net realisable values are yet to be determined at this stage.

Adverse Opinion

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion paragraph, the consolidated financial statements do not give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in case of the consolidated Balance Sheet, of the state of affairs of the Company as at March 31, 2017
- (b) in the case of consolidated statement of profit and loss account, of the loss for the year ended on that date; and
- (c) in the case of consolidated Cash Flow Statement, of the cash flows for the year ended on that date.

b) Type of Audit Qualification : [Qualified Opinion / Disclaimer of Opinion / Adverse Opinion]
Adverse Opinion

	<p>c) Frequency of qualification: [Whether appeared first time / repetitive / since how long continuing] This is the first financial year in which the above mentioned qualification is appearing.</p>
	<p>d) For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views: Not Applicable</p>
	<p>e) For Audit Qualification(s) where the impact is not quantified by the auditor:</p>
	<p>i) Management's estimation on the impact of audit qualification: With regard to qualification by the Auditors in their Audit Report on the Consolidated financial statement, Sintesis Quimica, S.A.I.C Argentina, step down subsidiary is continuing its business operations as at March 31, 2017. Further the Company is negotiating with the potential buyer for divesting the said subsidiary and it is in the process of seeking approval from members of the Company through Postal Ballot. At this stage the impact of overstatement of assets and liabilities are not determinable.</p>
	<p>ii) If management is unable to estimate the impact, reasons for the same: The amount is not determinable at this stage.</p>
	<p>iii) Auditors' Comments on (i) or (ii) above: Our adverse opinion in the consolidated financial results of the Company is carried from the auditors' report of the subsidiary company not audited by us. As informed to us by the management of the Company, the overstatement of assets and liabilities are yet to be determined at this stage. Please refer our audit report dated May 25, 2017. Consequently, we are unable to comment on the impact of such qualification on the consolidated financial statements of the Company.</p>
