**Appointment of Mr. Deepak Agrawal
as Executive Technical Advisor to the Board of Directors**

The Board of Directors is pleased to announce that it has engaged the services of Mr. Deepak Agrawal as Executive Technical Advisor to the Board of Directors. This is a significant step towards our commitment to grow production and deliver value to our shareholders.

Mr. Agrawal was most recently Director Technical and Executive Committee Member at Cairn India Limited.

Prior to Cairn, he was Vice President of Projects at British Petroleum in Mumbai. Before moving back to India in 2012, Mr. Agrawal worked for Chevron in executive management capacities worldwide for 20 years, his last assignment being as Development Manager of Chevron's multi-billion dollar LNG Project Gorgon, in Western Australia.

Mr. Agrawal holds a Masters degree in Engineering from the University of California at Berkeley where he was a Jane Lewis Fellow. His undergraduate degree is in Petroleum Engineering from IIT (Indian School of Mines) Dhanbad.

Mr. Agrawal has worked extensively in reservoir description and management, asset development, project planning and execution as well as in commercial areas of asset value assessment and optimization.

Mr. Agrawal will report to the Board and guide our technical teams in their pursuit of world class management of our assets with commitment to deliver asset integrity and sustainable growth. The Board will benefit from his advice based on the diversified worldwide experience of quality asset management and profitable growth that he brings to the Company.

This is a non-exclusive contract which doesn't prevent Mr. Agrawal from taking other assignments while he advises Selan.

By Order of the Board of Directors
For Selan Exploration Technology Limited
