Notes to Audited Financial Results for the quarter ended 31st March 2017 (as submitted to Bombay Stock Exchange Under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation 2015

- 1 The figures of the last quarter ending March 31st, 2017 are the balancing figures between the audited figures in respect of the full financial year upto March 31st 2017 and the unaudited year to date figures upto December 31st, 2016 being the third quarter of the Financial Year which where subjected to limited review.
These figures are to be read together with the Notes to Financial statements and accounting policies as per the audited Financial Statements as at March 31st 2017 and audit report thereto.
The above results were reviewed by the Audit Committee of Directors, thereafter taken on record by the Board of Directors in their meeting held on 30.05.2017 and a Limited Review of the same has been carried out by the Statutory Auditors of the Company.
- 2 The Company has not recognised Deferred Tax Assets in excess of Deferred Tax Liabilities, as a matter of prudence.
- 3 The Company has stopped (i) repayment of matured debentures & subordinated debts and (ii) payment of interest on debentures & subordinated debts from 1st July 2002 and proposed a scheme of arrangement before the Honorable High Court of Karnataka for restructure its liabilities (which since withdrawn and the Company is exploring the possibility of presenting a new scheme of arrangement). Further the Company has also stopped repayment of deposits matured for repayment and interest thereon, from aforesaid date. All debts of the Company i.e. debentures, subordinated debts and deposits are matured for repayment.
There are also many instances of settlement of debentures, debts and public deposits at the discounted rates with partial / full waiver of interest, which has been done with mutual consent. The remaining depositors/ debenture holders/ debt holders have approached the Company for settlement of the dues and the company is in the process for the same. Due to such settlements, the total liabilities as aforesaid, of the company is reduced from Rs10744.26 lakhs (as on 31st March 2002) to Rs.2327.90 lakhs as on 31st March 2017.
Considering the above facts, the company has provided for interest on deposits/ debentures/ debts upto 30.06.2002 and not thereafter.
Various consumer courts (including Appellate authorities / courts acting under the Consumer Protection Act) have passed the orders for the repayment of certain deposits / debentures/ debts with interest and other costs. The Company has settled the dues of such customers in many cases, which also includes settlement at discounted rates with partial / full waiver of interest and many of the remaining persons have approached the company for repayment.
Accordingly, it is not feasible for the company to ascertain accurately its liability on any given date.
- 4 Interest write back on Deposits/Debentures/Debt on settlement with depositors/Debenture/Debt holders for the three month ending 31st March 2017 is considered in the above statement as extraordinary item and details are given against SL.No.13 of the statement. The principal portion written back on such settlement is being directly taken to Balance Sheet as Capital Reserve as detailed in item No.C of the statement. (Given at the bottom of the statement).
- 5 The Company has been incurring losses for the last many years mainly on account of provision against non performing assets. The accounts have been prepared on a going concern basis, as the Company's management is hopeful of recovery of dues from Non-performing accounts as well as other debtors and also in view of the fact that the Company is exploring the possibility of presenting a new scheme of restructure of debts before the Honourable High Court of Karnataka.
- 6 The Company does not foresee any diminution in the value of investments.
- 7 Since the Company does not have business in more than one segment, segment-wise reporting on Revenue, Results and Capital Employed is not applicable.
- 8 The present activity of the Company is being restricted to recovery of the dues and repayment of the debts. Accordingly the income of the company depends upon the recoveries made during the period, which varies substantially on year to year basis. Therefore the Company has disclosed the amount of Bad debts recovered, if any under the head "Exceptional Item".
- 9 During the quarter ending 31st March 2017 the Company has earned profit mainly due to sale of Shares held as stock in trade. Accordingly and also on account of "Interest write back" as detailed in Note 4 above, Bad Debts recovered as detailed in Sl No 9 read with Item B of the statement & provision write back as detailed in Sl. No. 7 read with item A of the Statement, the result of the Company for the Current Three months/Twelve Months Period is positive. Therefore this should not be taken as indicator of Company's performance during forthcoming periods. The Company would have incurred loss for the Three/Twelve months period under review, if the income as aforesaid were not earned.
- 10 The Classification/Disclosure of items in the statement are in accordance with the Schedule III of the Companies Act, 2013.
- 11 The Audited Statement of assets and liabilities as of 31st March 2017 given as annexure.
- 12 The Company has opted for Cost Model as its accounting policy from the current year, as allowed under the amended Accounting Standard 10 "Property Plant & Equipment" (as amended vide notification dated 30th March 2016). Accordingly the Company has disclosed the fixed assets at Cost less Depreciation, by eliminating the revaluation portion. The amount so eliminated first adjusted to revaluation reserve and the balance to the General Reserve in the Balance Sheet. As a result of above adjustment, the depreciation for the quarter ending 31st March 2017 is negative and the depreciation for the quarter/year ending 31st March 2017 is not comparable with the corresponding previous period.
- 13 The figures for the previous period are regrouped, rearranged and reclassified wherever necessary.

Extract from Auditors Report to the Members of Manipal Finance Corporation Ltd.

Basis for the qualified opinion:

1. We draw attention to Note No.23.02 of the financial statements. The Company has incurred losses and its majority of funds are blocked in Non Performing Assets, raising a doubt about the Company to continue as a going concern. The Company has presented a scheme of arrangement for restructure of liabilities as detailed in Note No.5.01 of the financial statements and subsequently withdrawn the same, for reasons given therein. The Company is exploring the possibility of presenting the new scheme of arrangement, as detailed in the aforesaid Notes. The account, however have been prepared on a "going concern basis" in view of management perception as detailed in Note No.23.02 as aforesaid. However we are unable to comment on the ultimate reliability of Company's assets including the Fixed Assets under lease. Accordingly we are also unable to comment on the Company's ability to settle its debts/liabilities (including Deposits, Subordinated debts and Secured Redeemable Debentures.)

2. We draw the attention to Note 5.01 of the Financial Statements. The Company has stopped (i) repayment of matured debentures & matured subordinated debts and (ii) payment of interest on debentures and subordinated debts from 1st day of July 2002 and proposed a scheme of arrangement before the Hon'ble High Court of Karnataka, as referred to in the aforesaid Note (which is since withdrawn and we are informed that the Company is exploring the possibility of presenting a new scheme of arrangement) .Further the Company has also stopped repayment of deposits matured for repayment from the aforesaid date. All the debts of the Company i.e debentures, subordinated debts and deposits are matured for repayment. The Company has provided for interest on deposits/debentures/debts upto 30th June 2002 and not thereafter.

There are also many instances of settlement of debentures, debts and public deposits at the discounted rates with partial/full waiver of interest, which has been done with mutual consent. We are also informed that the remaining depositors/ debenture holders / debt holders have approached the Company for settlement of the dues and the Company is in the process for the same.

As per the information given to us various consumer courts (including the Appellate Authorities/Courts acting under the Consumer Protection Act) have passed the orders, for the repayment of certain deposits/debentures/debts with interest and other costs. The detailed information on these orders have not been made available to us. However we are informed that the Company has settled the dues of such customers in many cases, which also includes settlement at discounted rates with partial/full waiver of interest and many of the remaining such persons have approached the Company for settlement,

We draw the attention to the Statement made by the Management of the Company in note no. 5.01 of the Financial Statement which is as follows: "Considering the facts that the Company has settled the dues of depositors/debenture holders/debt holders at the discounted rates as stated above, that the remaining customers have approached the Company for settlement of their dues, that the orders issued by the various consumer courts including the appellate authorities/courts therein, that the Company has settled the many of such consumer court cases, that the total debts of the Company have reduced considerably because of settlement as aforesaid and that the Company is exploring the possibility of framing the new scheme of arrangement, it is not feasible for the Company to ascertain accurately its liability on any given date".

Considering all the facts as given above, we qualify our opinion that it is not feasible for us to ascertain accurately the liability of the Company as on the date of the Balance Sheet.
