STATEMENT OF AUDITED FINANCIAL RESULTS FOR THE YEAR ENDED MARCH 31, 2017

- 1 The above audited financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on May 26, 2017.
- 2 The Company is operating in a single segment (i.e) "Pharmaceuticals".
- 3 Exceptional items for quarter/year ended March 31, 2017 represents amortisation of exchange loss on restatement of Foreign currency loans amounting to Rs.441.19 Lakhs / Rs.3312.29 Lakhs and Provision for contingencies relating to transferred business amounting to Rs.5333.30 Lakhs (Amortisation of exchange loss during corresponding previous quarter/year ended March 31,2016 Rs.1362.31 Lakhs and Rs.5254.53 Lakhs)
- 4 The Company had exercised the option provided under the Companies (Accounting Standards) Amendment Rules, 2006 dated March 31, 2009. The Ministry of Corporate affairs vide notification dated 29/12/2011 has extended the amortisation of gains or losses arising on reporting of foreign currency monetary items over the balance period of such long term asset/liability. Accordingly exchange loss on long term foreign currency loans have been amortised over the balance period of such loans. The amount remaining to be amortised in the financial statements as at March 31, 2017 on account of exercising the above option is Rs.5498.78 Lakhs.
- 5 Interest expenses for the quarter/year ended March 31, 2017 is net of interest earned Rs.298.40 Lakhs and Rs.1480.33 Lakhs respectively (Corresponding previous quarter/ year Rs.484.92 Lakhs and Rs. 1876.42 Lakhs). Interest for the quarter includes an amount of Rs.5093.90 Lakhs, being claims made by lending Banks for prior years.
- 6 Other income for the quarter / year ended March 31, 2017 includes recovery of excess remuneration paid to Managing Director amounting to Rs.428.55 Lakhs and Rs.1045.27 Lakhs respectively due to non receipt of approval from Central Government.
- 7 Extra-ordinary item for the year ended March 31, 2017 represents write-off of hold back money and inventory related to Transfer of Penam and Penicillin Business during July 2014.
- 8 The auditors have observed matters relating to recovery of certain advances paid to suppliers, non-provision of diminution in value of investment in a foreign R&D subsidiary, non provision of amount due from marketing subsidiary and non receipt of confirmation from few banks. The Corporate Debt Restructuring scheme has been implemented in July 2014. Due to financial constraints, the Company was not able to take delivery of materials/capital goods. The management is confident that it would be able to take delivery of these materials/capital goods in due course, based on its performance. As far as the diminution in value of investments is concerned, the Management is confident that the value of intellectual property of molecules held by the foreign subsidiary will be more than the investment. In respect of dues from the marketing subsidiary, the Company is exporting and selling profitable products through its marketing subsidiary and the profit generated by the marketing subsidiary from the operations will be available for settlement of past dues. In view of the delay in payment of interest and principal, few banks have not provided balance confirmation. However the interest on the outstanding with such banks has been provided at the applicable rates. Hence the Board of Directors considering the explanation given by the Management is of the opinion that the observations made by the auditors will not have material impact on the financials. The auditors have previously qualified non-impairment of investment in and non-provision of dues receivable from an R&D subsidiary amounting to Rs.128.24 Cr. The Company has obtained valuation of the molecule held by the subsidiary from a reputed valuer, the value of which adequately covers the entire exposure of the Company towards the subsidiary.

9 Previous period figures have been regrouped wherever necessary.
