CBI arrests telecom firm promoter for ₹126-crore bank loan scam

The telecom company had allegedly been sanctioned several credit facilities, including cash credit, term loan and non-funded limits (LCs), of ₹126 crore,

CBI spokesperson RK Gaur said in Delhi. He said Kakkad had taken over Click Telecom from its earlier promoters. "It was further alleged that this company had won

the bid for launching of the BSNL VVOBB (voice and video over broad band) project in southern and eastern zones of the country and the accused inflated the project costs to obtain huge funds from the banks," the spokesman said.

He said it was also alleged that no machinery was actually supplied and letters of credit (LCs) were opened favouring associate companies. "These LCs were allegedly discounted and funds siphoned off. Role of the accused (Kakkad) in six other cases are also being investigated," he said.

Cumulative funds involved in seven cases against him are over ₹900 crore, the CBI sources said, adding that funds of Corporation Bank, SBI, State Bank of Bikaner and Jaipur, Allahabad Bank, Bank of Baroda and Vijaya Bank were siphoned off in these cases. Kakkad will be produced in a special court in Mumbai on Saturday.

Govt looking at winding up unsafe coal mines, says Goyal

PRESS TRUST OF INDIA
Vienna, May 12

THE GOVERNMENT IS planning to soon shut some of the mines of state-owned Coal India that are relatively unsafe and produce small quantity of coal. The plan follows announcement of a safety audit of all the 418 mines in the country in the aftermath of one of the worst disasters in Jharkhand that claimed at least 18 lives.

"We have done the safety audit of all the coal mines, particularly the underground mines. So, we will soon be taking a view on some of the unsafe mines where we think it may be better not to produce, which are of a very small quantity," coal and power minister Piyush Goyal said.
