Auditor's Report on Quarterly Standalone Financial Results and Year to Date Standalone Financial Results of PVP Ventures Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
The Board of Directors
PVP Ventures Limited
Chennai

1. We have audited the accompanying standalone Ind AS financial results of **PVP Ventures Limited** ("the Company"), for the quarter ended 31st March, 2017 and the year to date results for the period from 01st April 2016 to 31st March 2017 ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5th July 2016. Attention is drawn to the fact that figures for quarter ended 31st March 2017 and corresponding quarter ended in the previous year as reported in these standalone Ind AS financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of third quarter of the current and previous financial year respectively. Also, the figures up to the end of the third quarter of the respective financial year had only been reviewed and not subjected to an audit.
2. These quarterly standalone financial results as well as the year to date financial results have been prepared on the basis of the reviewed standalone financial results up to the end of the third quarter and the audited annual standalone financial statement respectively, which are the responsibility of the company's management. Our responsibility is to express an opinion on these financial results based on our audit of such standalone financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India.
3. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our qualified opinion.
4. *Attention is invited to Note no.5 to standalone Ind AS financial results, in relation to investment in few subsidiary companies net off provision amounting to Rs.56,005.15 Lakhs. Considering the market value of the assets and expected cash flows from the business of these subsidiary companies management considers these investments as good and recoverable and the provision to the extent already made is adequate. However the erosion in the net worth of*

these subsidiary companies, their dependence on the holding company to continue as a going concern, absence of cash flows, delay in commencement of projects and other related factors indicate the existence of material uncertainty in recoverability of net carrying value of investments. Hence we are unable to determine whether any adjustments to these net carrying amounts are necessary and additional provision if any against the diminution in the carrying value of these investments, if any, to be made are not quantifiable at this point of time. Previous auditors had also modified their opinion in respect of this matter in their standalone financial results for the year ended March 31, 2016.

5. Based on our audit conducted as above, in our opinion and to the best of our information and according to the explanations given to us, *except for the possible effects of the matters described in the paragraph 4 above*, these quarterly financial results as well as the year to date results:

- (a) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5th July 2016 in this regard; and
- (b) give a true and fair view of the financial performance including other comprehensive income and other financial information for the quarter ended 31st March 2017 as well as the year to date results for the period 01st April 2016 to 31st March 2017.

6. We draw attention to

- (i) As explained in Note no. 3, the obligations towards disputed income tax matters amounting to Rs.2,142.89 Lakhs are pending before different judicial forums. Pending disposal of these appeals the eventual obligation in this regard is unascertainable at this time. Based on the management's assessment and based on the experts view on the merits of the dispute, no provision is considered necessary in this regard.
- (ii) As explained in Note no. 4, certain assets of the company have been pledged as security by way of mortgage to the lenders for the borrowings by third parties and the borrowers have not repaid the loan along with interest to the lenders on the due dates. The outstanding loan by these companies as on 31st March 2017 is Rs.2,734.40 Lakhs. The realisable value of mortgaged assets is dependent on the repayment of the loans by the third parties. The management asserts that no adjustment to the carrying value is required as it is confident that the payment obligations will be met by the third party borrower in due course. Relying on the same no adjustments have been made to the carrying value of the assets.

Our opinion is not modified in respect of the above matters.

7. Other Matters

The comparative financial information of the company for the quarter and year ended 31st March 2016 included in the statement, are based on the previously published standalone financial results for the said periods prepared in accordance with the Companies

(Accounting Standards) Rules, 2006 and the other accounting principles generally accepted in India audited by CNGSN & Associates LLP, Chartered Accountants whose report dated 23rd May 2016, expressed modified opinion on those standalone financial results, as adjusted for the differences in the accounting principles adopted by the company and transition to Ind AS, which have been audited by us. Our opinion is not modified in respect of this matter.

	<p>e. For Audit Qualification(s) where the impact is not quantified by the auditor:</p>
	<p>(i) Management's estimation on the impact of audit qualification: Not Applicable</p>
	<p>(ii) If management is unable to estimate the impact, reasons for the same:</p> <p>The company has made investment in the subsidiary companies on a long term basis with an intention to expand its business vicinity through its subsidiary companies. Considering the business potential of these companies, expected future generation of revenues and cash flows, expected development of the projects and the market value of the assets of the subsidiaries, we are unable to estimate the impact of the aforesaid Audit Qualification.</p>
	<p>iii) Auditor's comments on (i) or (ii) above:</p> <p>The management of the view that considering the market value of the assets and expected cash flows from the business of the subsidiary companies the provision already made are adequate. However, considering the net worth of the subsidiary companies being negative dependence on parent company to continue as a going concern, absence of cash flows, delay in commencement of the projects and other related factors indicate that the existence of material uncertainty in carrying value of investments and loans & advances at cost less provision already made. Hence we are unable to determine whether any adjustment to these net carrying amounts is necessary and additional provision for diminution, if any, to be made or not quantifiable.</p>

The outstanding loan by these companies as on 31st March 2017 is Rs.2,734.40 Lakhs. The realisable value of mortgaged assets is dependent on the repayment of the loans by the third parties. The management asserts that no adjustment to the carrying value is required as it is confident that the payment obligations will be met by the third party borrower in due course. Relying on the same no adjustments have been made to the carrying value of the assets.

"Loans and advances of Rs. 12,909.64 lakhs to body corporates for scouting of land for the proposed power projects. The long duration of outstanding of these advances and other factors like low probability of getting a big chunk of land for a power project indicate the existence of uncertainty on the eventual realisability of these advances. The financial impact if any due to non realisability is not ascertainable at this time. Our opinion is not modified in respect of above matter."

The impact of above matter on the holding company cannot be determined which is dependent on the ability to acquire land within stipulated time failing which the land advance made will be refundable.
