**Noida, 22nd May, 2017:** Advance Metering Technology Limited (AMTL), one of the fastest growing private players in the energy and energy devices segment, today announced its earnings for the quarter ended March 31st, 2017.

For its fourth quarter of 2016-17 fiscal, the company has recorded revenue of INR 1324.11 lakhs. EBITDA for the quarter stood at INR 277.97 lakhs & % EBITDA to Revenue at 20.99%

Commenting on the financial performance of the company, Mr P.K.Ranade – Chairman and Managing Director, AMTL said, “I am happy to share that AMTL has been able to successfully navigate the challenging market conditions as a result of demonetization that affected the results of Q3 and to some extent Q4 . The organisation has been able to achieve profitable operations in the quarter while delivering revenue growth.”

### **About AMTL**

Advance Metering Technology Limited (AMTL) manufactures and distributes a complete range of energy meters, panel meters, APFC panels and measurement devices.

AMTL is also actively engaged in the production of renewable energy for supply to the grid from its portfolio of renewable energy assets.
