Notes:

- 1 The audited financial statements for the quarter and year ended March 31, 2017 have been taken on record by the Board of Directors at its meeting held on May 30, 2017. The information presented above is extracted from the audited standalone financial statements. The financial statements are prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- 2 The Company has adopted the Indian Accounting Standard (Ind-AS) on April 1, 2016 with the transition date as April 1, 2015, and the adoption was carried out in accordance with Ind-AS 101-First time adoption of Indian Accounting Standards. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.
- 3 The Company had opted for CDR of its Debt in November, 2013. The CDR package was approved by the competent authority in June, 2014 and implemented by lenders in September, 2014. The credit facilities envisaged & sanctioned under CDR package were not fully released by the lenders which resulted in sub-optimum utilization of manufacturing facilities and the company could not complete one of its spinning project where substantial amount was already incurred. All this has led to adverse financial performance and erosion in net worth of the Company. Also the company is facing cash flow mismatch and is not servicing debt obligations as per the terms of CDR package sanctioned earlier. However, despite all this, the manufacturing capacities are operational and running. The Company has not defaulted in any of its statutory dues and has been able to retain all its management functionaries. Keeping in view the above, the financial statements of the company are prepared on going concern basis and the company considers that sufficient taxable income will be available in the specified period against which deferred tax asset and MAT credit would be adjusted.
- 4 Exceptional items consists of provision for diminution in value of investments in subsidiaries and in quarter ended December, 2016 also includes reversal of interest amounting to Rs.11,097 lakhs.
- 5 The Company has only one Reportable Segment i.e. Textiles, hence Segment Reporting is not applicable.
- 6 The majority of lenders have stopped charging interest on debts, since the dues from the Company have been categorized as Non Performing Asset. The Company is in active discussion/negotiation with its lenders to restructure its debts at a sustainable level including waiver of unpaid interest. In view of the above, pending finalization of their restructuring plan, the Company has not provided interest amounting to Rs. 35,901 lakhs on majority of NPA classified accounts for the year in its books of account. Due to this the interest expense, net loss and financial liabilities for the year ended March 31, 2017 are reduced by Rs. 35,901 lakhs and correspondingly the equity is increased by the same amount.
- 7 The company has revised the useful life of the machinery installed in Spinning/Terry Towel units based on technical reports effective from April 1, 2016. Due to this the depreciation as well as net loss for the year ended March 31, 2017 is reduced by Rs. 15,106 lakhs and correspondingly the "Property, Plant & Equipments" (Non Current Assets) and other equity are increased by the same amounts.
- 8 Reconciliation of Net Profit as previously reported on account of transition from the previous Indian GAAP to Ind AS for the quarter and year ended March 31, 2016.

INDEPENDENT AUDITOR'S REPORT

To
The Board of Directors of
SEL Manufacturing Company Limited

Introduction

We have audited the accompanying statement of standalone financial results of SEL Manufacturing Company Limited (the company) for the year ended March 31,2017 ("the Statement"),in which are incorporated, the returns for the year ended on that date audited by the branch auditors of the company's overseas branch at Sharjah, United Arab Emirates, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016.

This statement, which is the responsibility of the Company's Management and approved by its Board of Directors, has been compiled from the related Standalone Ind AS Financial Statements which has been prepared in accordance with the Indian Accounting Standards prescribed under section 133 of the companies Act,2013, read with relevant rules issued thereunder ("Ind AS") and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement based on our audit of such standalone financial statements.

We conducted our audit in accordance with the standards on auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirement and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

As mentioned in note no.6 to the Statement regarding non provision of interest amounting Rs.35901 lakhs for the year ended 31st March, 2017 on NPA classified bank borrowings which is not in compliance with the requirements of para 27 of the Ind AS 1-Presentation of Financial Statements w.r.t. preparation of financial statements on accrual basis. Consequently, borrowings are not reflected at fair value in financial statements as required by Ind AS 109, Financial Instruments.

We further report that, had the impact of our observations made in para above been considered, the net loss and borrowings for the year ended would have been increased by Rs. 35901 lakhs and the equity would have been reduced by the same amount.

Qualified Opinion

Based on our audit conducted as above, in our opinion and to the best of our information and according to the explanations given to us, *except for the possible effects of the matter described in the above para of "Basis for Qualified Opinion"*, the Statement

(i) is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015; read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016 and

(ii) give a true and fair view in conformity with the aforesaid Ind AS and other accounting principal generally accepted in India of the net loss, total comprehensive income and other financial information for the year ended March 31, 2017.

Emphasis of Matter

We draw attention to the following matters:

(a) Balances of few of the Trade Receivables, Loan and Advances & Trade Payables are subject to confirmation/reconciliation and subsequent adjustments, if any. During the course of preparation of Statements, e-mails/letters have been sent to various parties by the company with a request to confirm their balances as on 31st March, 2017 out of which few parties have confirmed their balances direct to us or to the company. Despite this, the outstandings in the trade receivables of the company are overdue and the company has not provided any impairment provision in respect of their realizations as the management claims that the said receivables are fully recoverable.

(b) In respect of Contingency related to 'compensation payable in lieu of bank sacrifice,' the outcome of which is materially uncertain and can not be determined currently.

(c) Note no. 3 of the statement regarding preparation of the Standalone financial statements on a going concern basis for the reasons stated in the said note notwithstanding the facts that the company has accumulated losses resulting in erosion of net worth. Keeping in view the above, the company has recognized deferred tax asset and MAT Credit considering virtual certainty that sufficient taxable income will be available during specified period against which such deferred tax asset/MAT Credit can be adjusted.

(d) Note no. 7 of the statement regarding the revision of useful life of machinery installed in Spinning /Terry Towel units based on the technical reports effective from 1st April 2016.

Our opinion is not modified in respect of the above said matters.

Other matters

The Statement included the results for the quarter ended March 31, 2017 being the balancing figure between the audited figures in respect of the financial year and the unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

Our opinion is not modified in respect of the above said matters.

Notes:

- 1 The audited financial statements for the quarter and year ended March 31, 2017 have been taken on record by the Board of Directors at its meeting held on May 30, 2017. The information presented above is extracted from the audited consolidated financial statements. The financial statements are prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- 2 The Group has adopted the Indian Accounting Standard (Ind-AS) on April 1, 2016 with the transition date as April 1, 2015, and the adoption was carried out in accordance with Ind-AS 101-First time adoption of Indian Accounting Standards. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.
- 3 The holding and one of its subsidiary Company had opted for CDR of its Debt in the year 2013-14. The CDR package was approved by the competent authorities and implemented by lenders. However, the credit facilities envisaged and sanctioned under CDR packages were not released by the lenders to the said companies, which resulted in sub-optimum utilization of manufacturing facilities. Due to non-disbursement of funds the said companies could not complete their respective spinning projects where substantial amounts were already incurred. All this has led to adverse financial performance and erosion in net worth of the said companies. Both the company are facing cash flow mismatch and are not servicing debt obligations as per the terms of CDR packages sanctioned earlier. Despite all, the manufacturing capacities are operational and running. Both the Companies have not defaulted in payment of their statutory dues and have retain all their management functionaries. Keeping in view the above, the financial statements of the companies are prepared on going concern basis and the companies considers that sufficient taxable income will be available in the specified period against which deferred tax asset and MAT credit would be adjusted.
- 4 The majority of lenders have stopped charging interest on debts, since the dues from the Company and one of its subsidiary have been categorized as Non Performing Asset. The Company and one of its subsidiary is in active discussion/negotiation with its lenders to restructure their debts at a sustainable level including waiver of unpaid interest. In view of the above, pending finalization of their restructuring plan, the Company and one of its subsidiary have not provided interest amounting to Rs. 51,785 lakhs on majority of NPA classified accounts for the year in its books of account. Due to this the interest expense, net loss and financial liabilities for the year ended March 31, 2017 are reduced by Rs. 51,785 lakhs and correspondingly the equity is increased by the same amount.
- 5 Exceptional items in quarter ended December, 2016. Includes reversal of interest amounting Rs. 16,168 lakhs
- 6 Reconciliation of Net Profit as previously reported on account of transition from the previous Indian GAAP to Ind AS for the quarter and year ended March 31, 2016.

INDEPENDENT AUDITOR'S REPORT

To
The Board of Directors of
SEL Manufacturing Company Limited

Introduction

We have audited the accompanying statement of consolidated financial results of SEL Manufacturing Company Limited (the Holding) for the year ended March 31,2017 ("the Statement"),attached herewith, , being submitted by the Group pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016.

This statement, which is the responsibility of the Holding's Management and approved by the Board of Directors, has been compiled from the related Consolidated Ind AS Financial Statements which has been prepared in accordance with the Indian Accounting Standards prescribed under section 133 of the companies Act, 2013, read with relevant rules issued thereunder ("Ind AS") and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement based on our audit of such consolidated financial statements.

We conducted our audit in accordance with the standards on auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirement and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the holding's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the holding's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

As mentioned in note no. 4 to the Statement regarding non provision of interest amounting Rs.51785 lakhs for the year ended 31st March, 2017 on NPA classified bank borrowings of holding and one of its subsidiary, which is not in compliance with the requirements of para 27 of the Ind AS 1-Presentation of Financial Statements w.r.t. preparation of financial statements on accrual basis. Consequently, borrowings are not reflected at fair value in financial statements as required by Ind AS 109, Financial Instruments.

We further report that, had the impact of our observations made in para above been considered, the net loss and borrowings for the year ended would have been increased by Rs. 51785 lakhs and the equity would have been reduced by the same amount.

Qualified Opinion

Except for the possible effects of the matter described in the above para of "Basis for Qualified Opinion", in our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on the separate financial statements and other financial information of the subsidiaries referred to in paragraph (2) of other matters, the Statement

(i) includes the results of the following entities:

SEL Manufacturing Co. Ltd.	(Holding Company)
SEL Textiles Ltd.	(Subsidiary Company)
SEL Textile Corporation	(Subsidiary Company)
SEL Aviation Pvt. Ltd.	(Subsidiary Company)
Silverline Corporation Ltd.	(Fellow Subsidiary Company)
SE Exports	(Subsidiary Firm)

(ii) is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015; read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016 and

(iii) give a true and fair view in conformity with the aforesaid Ind AS and other accounting principal generally accepted in India of the net loss, total comprehensive income and other financial information for the year ended March 31, 2017.

Emphasis of Matter

We draw attention to the following matters:

(a) Balances of few of the Trade Receivables, Loan and Advances & Trade Payables of the holding as well as one of its subsidiary company are subject to confirmation/reconciliation and subsequent adjustments, if any. During the course of preparation of Statements, e-mails/letters have been sent to various parties by the said companies with a request to confirm their balances as on 31st March, 2017 out of which few parties have confirmed their balances direct to us or to the companies. Despite this,

the outstandings in the trade receivables of the holding as well as one of its subsidiary company are overdue and the Group has not provided any impairment provision in respect of their realizations as the management claims that the said receivables are fully recoverable.

(b) In respect of Contingency related to 'compensation payable in lieu of bank sacrifice,' the outcome of which is materially uncertain and can not be determined currently.

(c) Note no. 3 of the statement regarding preparation of the consolidated financial statements on a going concern basis for the reasons stated in the said note notwithstanding the facts that the holding as well as one of its subsidiary namely SEL Textiles Limited have accumulated losses resulting in erosion of net worth. Keeping in view the above, the Group has recognized deferred tax asset and MAT Credit considering virtual certainty that sufficient taxable income will be available during specified period against which such deferred tax asset/MAT Credit can be adjusted.

(d) Note no. 9 of the statement regarding the revision of useful life of machinery installed in Spinning/Terry Towel units of holding and one of its subsidiary based on the technical reports effective from 1st April 2016.

Our opinion is not modified in respect of the above said matters.

Other Matters

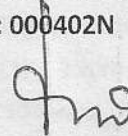

The Statement included the results for the quarter ended March 31, 2017 being the balancing figure between the audited figures in respect of the financial year and the unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

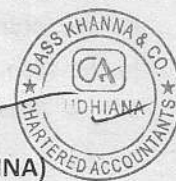

(b) We did not audit the financial statements/ financial information of four subsidiaries included in the consolidated financial results, whose financial statements/ financial information reflect total assets of Rs. 5236.96 lakhs as at March 31, 2017 and total revenues of Rs. 72.01 lakhs, total comprehensive income of Rs (90.69) Lakhs for the year ended on that date. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors.

Our opinion is not modified in respect of the above matters.
