Pursuant to the accounting enunciated in the guidelines issued by the Securities & Exchange Board of India, the Company has recorded an expense on the basis of fair valuation of the underlying options. The Remuneration Committee on February 7, 2013 has approved additional grant of 201,209 options to the eligible employees of the Company. Further under the above Scheme, the Committee in the previous meetings had allotted 544,773 shares, and 112,910 have been allotted in the meeting held on May 25, 2017 to the employees who have exercised their options.
