**Notes:**

- The above financial results were reviewed and recommended by the audit committee and approved by the Board of the Directors at their meeting held on 18th May 2017.
- The Company's Business activity falls within a single business segment in terms of Accounting Standard 17 on Segment Reporting.
- The Board of Directors has recommended a dividend of 20% ie ₹ 2/- per Equity Share of ₹ 10/- each ( Previous year 10% ) subject to shareholders' approval in the ensuing Annual General Meeting. During the previous year, the company has made a provision for the dividend declared by the Board of Directors as per requirement of pre-revised Accounting Standard 4 (AS-4) contingencies and events occurring after the balance sheet date. However as per the requirements of revised AS-4 the Company is not required to provide for dividend proposed / declared after the balance sheet date. Consequently, no provision has been made in respect of the aforesaid dividend proposed by the Board of Directors for the year ended 31st March 2017. Had the company continue with the creation of provision for the proposed dividend as at the balance sheet, its balance in surplus would have been lower by ₹ 335 Lakhs and short term provision would have been higher by ₹ 335 Lakhs including Dividend Distribution Tax.
- The figures for the last quarter of the current year and for the previous year are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the third quarter.
- Previous year figures have been regrouped / reclassified to make them comparable with those current years.
