Mumbai, 30 May 2017:

Responding to queries, a Reliance Communications spokesperson said:

"Post signing of binding documents for the Aircel and Brookfield transactions, RCOM has formally advised all its lenders that it will be making repayment of an aggregate amount of Rs 25,000 crore from the proceeds of these two transactions, on or before 30th September 2017. The said amount will cover not only all scheduled repayments, but also include substantial pre-payments to all lenders on a pro-rata basis."

"RCOM is presently engaged in discussions with its lenders to obtain their requisite consents for the two transactions and to refinance scheduled instalments falling due in the interim period up to 30th September, 2017, to facilitate expeditious closing of both transactions in the best interests of all stakeholders," the spokesperson added. "Based on the large number of approvals already received for the two transactions and continuing good progress for the balance, RCOM expects to meet its all debt repayment obligations in line with these plans, and substantially reduce its overall debt."
