## PRESS RELEASE

# NLCIL CREATES NEW RECORDS!

2016-17

21030.60 Million Units of Electricity Generated

276.17 Lakh Tonnes of Lignite Excavated

2058.14 Lakh Cubic meter of Overburden Excavated

Rs. 8672.84 Crore Revenue from Operations

Rs. 2342.20 Crore Profit After Tax for the year

IN A YEAR

NLC India Limited, a “Navratna” Public Sector Enterprise, under the administrative control of Ministry of Coal (MoC), Govt. of India, has been on a steady growth path. As a pioneer in Lignite Mining and Lignite based Power generation and now in a big way into Coal Mining, Coal based Power generation and generation of Power from Renewables like Solar and Wind, it has witnessed a record breaking growth on all fronts in the year 2016-17, an all time high since its inception.

**NLC India Ltd: Installed Capacity: Mines – 30.60 Million Tons Per Annum,  
Power 3295MW (Thermal 3240 + Wind 45+ Solar 10)**

### Performance Highlights – 2016-17 (Standalone)

#### Physical.

| Product                       | Target   | Actual   | Achievement in % | Growth over Prev. Year in % | Remarks                             |
|-------------------------------|----------|--|------------------|-----------------------------|-------------------------------------|
| Overburden (LM <sup>3</sup> ) | 1610     | 2058.14  | 127.83           | 20.87                       | Ever Highest record since inception |
| Lignite (LT)                  | 268      | 276.17   | 103.05           | 8.51                        |                                     |
| Power (MU)                    | 21567.76 | 22340.59<br>(Inclusive of Power Surrender-1310 MU) | 103.58           | 14.44*                      |                                     |

\*By adding the performance of NTPL (Subsidiary of NLCIL), (i.e) 7135 MU, consolidated performance would be 29475.59 MU with the Growth of 27.18%.

### Capacity addition works started in this financial year (2016-17)

| Sl. No. | Name & Location of the Project   | Capacity                             | Anticipated commissioning                                   |
|---------|--|--------------------------------------|---|
| 1       | NUPPL, Ghatampur (A Subsidiary of NLCIL) Ghatampur, U.P                        | 3 x 660 MW                           | Unit-I : Nov 2020<br>Unit II: May2021<br>Unit III: Nov 2021 |
| 2       | Bithnok Mine cum Thermal Power Project Rajasthan                               | Mine - 2.25 MTPA<br>TPP - 1 x 250 MW | Mine: Dec 2019<br>Thermal: March 2020                       |
| 3       | Hadla Lignite Mine linked to Barsingsar Extn. Thermal Power Project, Rajasthan | Mine – 1.90 MTPA<br>TPP - 1 x 250 MW | Mine-Dec. 2019<br>Thermal : March 2020                      |
| 4       | Solar Power Project Neyveli, Tamilnadu   | 2 x 65 MW                            | June 2017   |
| 5       | Solar Power Project at Various locations in Tamilnadu                          | 500 MW                               | 2018-19   |

**Note:** Total 2480 MW Thermal + 630 MW Solar = 3110 MW.

The above is in addition to the on-going work for 1000 MW Thermal Project at Neyveli (NNTPP) which is expected to be commissioned by March/April-2018.

### Financial Performance for the year 2016-17:

- **Sales Turnover** stands at **Rs. 8672.84 Crore** as compared to Rs. 6652.05 Crore for the previous year 2015-16, registering a growth of 30.38%.
- **Total Income** stands at **Rs. 9347.25 Crore** as against Rs. 7177.20 Crore for the previous year 2015-16, registering a growth of 30.24%.
- **Profit before Tax** stands at **Rs 3027.56 Crore** as against Rs. 1856.07 Crore for the year 2015-16 registering a growth of 63.12%.

**Note:** The financial figures of previous year have been restated consequent to accounting adjustments carried out in the current year for the first time based on the guidelines of INDAS.

- Dividend of 73.40% amounting to Rs. 1121.97 Crore has been paid to share holders including the Govt's share of Rs. 1002.20 Crore (excluding Rs. 228.40 Crore towards dividend distribution tax paid to Govt. of India).

- Highest contribution to Exchequer since inception – Rs.4964.52 Crore by way of Dividend including Dividend Distribution tax, Buy back of shares, Clean Cess, Royalty and other taxes and duties.

### ONGOING CAPACITY ADDITION PROJECTS OF NLCIL

| Project                     | Existing Capacity | Addition Proposed | Total                  |
|-----------------------------|-------------------|-------------------|------------------------|
| <b>A - Mining:</b>          |                   |                   |                        |
| Lignite (MTPA)              | 30.60             | 31.55             | 62.15                  |
| Coal (MTPA)                 | 0                 | 31.00             | 31.00                  |
| <b>B – Power:</b>           |                   |                   |                        |
| Lignite Based (MW)          | 3240              | 3540              | 6780                   |
| Power – Coal Based (MW)     | 1000              | 5940              | 6940                   |
| Power – Renewable (MW)      | 55<br>(10+45)     | 4196              | 4251<br>(Solar + Wind) |
| <b>C – Inorganic:</b>       |                   |                   |                        |
| Acquisition of Power Assets | 0                 | 3000              | 3000                   |
| <b>Total Power (MW)</b>     | <b>4295</b>       | <b>16676</b>      | <b>20971</b>           |

NLCIL forges ahead in all fronts and with its expansion activities the company is poised for substantial growth in the years to come. **At the end of 2025, NLCIL plans to achieve a lignite mining capacity of 62.15 MTPA, Coal Mining Capacity of 31 MTPA and Power generating capacity of 20971 MW from Lignite, Coal and Renewables put together.**
