The management has, further to the acquisition and strategic decisions taken, updated its segment classification based on service offerings, with effect from 01, 2016. Previous period figures given in (a) above are as per the earlier classification and hence not comparable.

Segregation of assets, liabilities, depreciation and other non-cash expenses into various primary segments has not been carried out as the assets are interchangeably between segments. Accordingly, no disclosure relating to segmental assets and liabilities has been made.

**Notes:**

- The results are based on the consolidated financial statements prepared by the Company's management in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act 2013, read with relevant rules issued thereunder. The Financial Statements of the Parent Company and its subsidiaries have been combined on a line by line basis by adding together the book values of the items of assets, liabilities, income and expenses after eliminating intra-group balances, transactions and resulting unrealised gains/losses. The Consolidated Financial Statements are prepared by applying uniform accounting policies.
- The Consolidated and Standalone Financial Results for the year ended March 31, 2017 have been reviewed by the Audit Committee on May 18, 2017 and approved by the Board of Directors ("the Board") at its meeting held on May 18, 2017. The Statutory auditors have expressed an unqualified audit opinion. The information presented above is extracted from the audited financial statements as stated above. Both the Consolidated and Standalone Financial Results have been submitted to the Bombay Stock Exchange Limited (BSE) and National Stock Exchange of India Limited (NSE), where the equity shares of the Company are listed.
- The Standalone Financial Results and the Consolidated Financial Results for the year ended March 31, 2017 are available on the Company's website ([www.take-solutions.com](http://www.take-solutions.com)) and the website of BSE ([www.bseindia.com](http://www.bseindia.com)) and NSE ([www.nseindia.com](http://www.nseindia.com)).
- In accordance with the Institute of Chartered Accountants of India (ICAI) guidelines, the weighted average number of shares held by TAKE Solutions Limited ESOP Trust have been reduced from the weighted average equity shares outstanding for computing basic and diluted earnings per share. During the year ended March 31, 2017, the company has allotted 114,977 Equity Shares of face value ₹ 1/- each on account of exercise of vested options.
- In accordance with Chapter VIII of SEBI (Issue of Capital and Disclosure requirements) Regulations, 2009, 10,836,800 Equity Shares of ₹ 1 each were allotted to Qualified Institutional Buyers ("QIBs") on July 28, 2016 at an issue price of ₹165.10 per Equity Share (including premium of ₹165.10 per Equity Share) through Qualified Institutions Placement.
- Out of the issue proceeds of ₹17,999.92 Lakhs from the Qualified Institutions Placement, ₹ 705.79 Lakhs were utilised towards share issue expenses and the balance of ₹17,294.13 Lakhs has been utilised for the objects stated in the offer document.
- During the previous year, the company has divested its entire investment in subsidiaries Applied Clinical Intelligence LLC, USA and TAKE Business Cloud Private Limited and has acquired Ecron Acunova Limited, India. The effects of such acquisitions/divestments were considered in consolidated financial statements for the FY 2016 from the date of acquisition / divestment. Hence the corresponding figures of the previous periods are not comparable with the current year.
- TAKE Solutions Limited and its subsidiaries ("the Group") provide domain centric outcome based services and technology solutions to its clients globally. The Group's operations today have increasingly focused on providing functional and technology services across the domains of SCM and LS. The scope of such services has been enhanced post the recent acquisition of Ecron Acunova Limited and hence a need to reclassify the revenue segments to accurately capture the operations of the Group. The revised business segments will now be classified as Functional Services and Technology Services. Functional services refer to consulting on and performance of core operational blocks of function on behalf of the customers. In life sciences domain, these span the functions of clinical, regulatory, and medical/safety operations that are required to either bring drugs and devices to market post approval or ensure keeping them on market by complying with statutory requirements across the globe. Technology services includes engineering of technology products and/or solutions either proprietary or in partnership with strategic enterprise software vendors that would help solve a business problem relating to compliance, addressing a situation of non-compliance, or enabling process and operational efficiencies, across multifunctional teams within the enterprise as well as their partners & stakeholders. In supply chain domain, these span the functions of engineering services, sourcing and procurement.
