FOR IMMEDIATE RELEASE

Mumbai: June 29, 2017

Composite Cylinders for Automotive CNG

Company is pleased to announce successful trial production and testing of Carbon Fiber based Composite Cylinders for CNG for automotive applications. This has been done for the first time in India. Company has developed 60 ltr & 30 ltr non-metallic Type-4 Composite Cylinders which are able to withstand burst pressure of over 550 bars exceeding the requirement of ISO 11439 & IS 15935: 2011. It shortly starts process of getting approval from independent 3rd party and PESO before putting them on field trials. These LiteSafe Composite Cylinders offer numerous technical and operational advantages over conventional steel cylinders for the same application.

- Explosion proof
- Less than 1/4th the weight
- Strong & Durable
- Corrosion & Rustproof
- Conforms to the highest international standards

Automotive Companies are keen to replace metal cylinders with Composite Cylinders to reduce weight and improve upon fuel efficiency. These Cylinders are likely to find their way both with OEM and aftermarket. It also has a huge export potential.

Company is planning to launch these Cylinders in 2nd half of FY 2018-'19 after obtaining necessary approvals and extensive trials.

About Time Technoplast :

Time Technoplast (www.timetechnoplast.com) is a leading technology based innovative polymer Product Company. Over the years, TimeTech has emerged as a formidable player in the polymer space, with a product repertoire that caters diverse segments like Industrial Packaging, Infrastructure, Lifestyle, Healthcare, Composites and Auto Components related products. It focuses on replacing metals with polymers in high performance areas using innovation and latest technology. TimeTech services wide spectrum of user industry in each of its business verticals reducing sectorial risks and tapping new opportunity for growth. TimeTech is an aspiring Indian multinational having presence in India, Thailand, Taiwan, Indonesia, Vietnam, Malaysia, UAE, Bahrain & Egypt.
