PRESS RELEASE

Gravita started Commercial Production of Polypropylene

Jaipur 20th June, 2017: Gravita India Limited, a leading recycling company having its manufacturing presence around the globe, is glad to inform that company has started commercial production of Washed Polypropylene by installing new automated eco- friendly washing line having annual capacity of 6000 MTPA at its existing recycling unit situated in Jaipur. The production from said plant will cater the needs of industries manufacturing Polypropylene Sheets, Paint Buckets, Polypropylene Crates, Battery Boxes and other Plastic Manufacturing Industries. The Company has made investment of approx Rs. 150.00 Lacs for procuring and commissioning of this plant which is invested from internal accruals of the company.

At present Gravita Group is into recycling of Lead, Aluminium and Plastic and the above mentioned new automated eco- friendly washing line plant will strengthen the plastic recycling segment of the Company and will help in manufacturing more value added products. The Company expects an increase of Rs. 300.00 Lacs in its bottom line. A strong customer focused approach and constant improvement in its Eco-friendly recycling has enabled the company to attain and sustain leadership in its major line of business over 2 decades.
