The Board recommends the above Special Resolution at Item No.8 for your approval.

Annexure to the Notice

None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financial or otherwise, in the resolution set out in Item No.8 of the Notice.

Item No.9 :

The Non-Executive Directors are paid remuneration by way of commission on net profits of the Company not exceeding the limit laid down under the Companies Act, 2013 or ₹ 32/- Lakhs in aggregate whichever is less per financial year, for a period of 3 years from the financial year 2015-16 to 2017-18, in pursuance of the special resolution under Section 197, 198 and other applicable provisions of Companies Act, 2013 passed by the Members at the Annual General Meeting held on 4th August, 2015. In addition to the commission on net profits, the Non-Executive Directors are paid sitting fees for each meeting of the Board or Committees of the Board and meeting(s) of Independent Directors thereof attended by them.

In pursuance of the Members authorisation a commission of ₹ 4,00,000/- was paid equally to each Non-Executive Director of the Company aggregating to ₹ 32/- Lakhs for the financial year 2015-16. The commission for the financial year 2016-17 amounting to ₹ 4,00,000/- aggregating to ₹ 32/- Lakhs will be paid equally to all the Non-Executive Directors of the Company. The Members had earlier approved payment of commission to the Non-Executive Directors within the limit prescribed under the Companies Act, 2013 or ₹ 32/- Lakhs in aggregate, whichever is less including for the financial year 2017-18 at the AGM held on 4th August, 2015.

In view of sizeable increase in the Company's operations, current competitive business environment and shouldering of higher responsibilities by Non-Executive Directors under the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, entailing their increased time commitments for the Company, it is therefore desirable to increase in the amount of commission to the Non-Executive Directors of the Company under Section 197, 198 and other applicable provisions if any, of the Companies Act, 2013, the limit laid down under the Companies Act, 2013 or an amount not exceeding ₹ 56/- Lakhs in aggregate, whichever is less, per financial year, for further period of 3 (Three) years commencing from the financial year 2017-18 to 2019-20 in terms of the Special Resolution at item No.9. The payment of commission would be in addition to the sitting fees paid / payable for each meeting of the Board or Committees of the Board and meeting(s) of Independent Directors thereof attended by them as also reimbursement of traveling, lodging and conveyance expenses etc. for attending meetings.

All the Directors of the Company are interested in the Special Resolution set out at Item No.9 of the accompanying Notice, since it relates to their respective remuneration.

Ms. Jyoti R. Doshi, Non-Executive Director is relative of Mr. Rajas R. Doshi, Chairman & Managing Director and Mr. Mayur R. Doshi, Executive Director of the Company and hence all of them are concerned and interested, financially or otherwise, in the Special Resolution set out at Item No.9.

None of the other Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the Special Resolution set out at Item No.9.

Item No.10 :

The Board of Directors on the recommendation of the Audit Committee approved the appointment of Mr. Vikas Vinayak Deodhar, Cost Accountant, Membership No.3813 to conduct the audit of the cost records of the Company for the financial year 2017-18.

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor is to be ratified by the members of the Company.

Accordingly, the members are requested to ratify the remuneration payable to the Cost Auditors for the financial year 2017-18 as set out in the resolution at Item No.10 of the Notice.

The Board recommends the above Ordinary Resolution at Item No.10 for your approval.

None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financial or otherwise, in the resolution set out in Item No.10 of the Notice.

Item No.11 :

As per the provisions of Section 20 of the Companies Act, 2013 a document may be served on any member by sending it to him by Post or by Registered post or by Speed post or by Courier or by delivering at his office or address or by such electronic or other mode as may be prescribed. It further provides that a member can request for delivery of any document to him through a particular mode for which he shall pay such fees as may be determined by the Company in its Annual General Meeting.

Therefore, to enable the members to avail of this facility, it is necessary for the Company to determine the fees to be charged for delivery of a document in a particular mode, as mentioned in the resolution.

Since the Companies Act, 2013 requires the fees to be determined in the Annual General Meeting, the Board accordingly recommend the Ordinary Resolution at Item No.11 of the accompanying notice, for the approval of the members of the Company.

None of the Directors and/or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No.11 of the accompanying Notice.

By Order of the Board of Directors,
For The Indian Hume Pipe Co. Ltd.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. INDUSTRY STRUCTURE & DEVELOPMENT:

We all know that water is a prime natural resource and a basic human need for survival and existence. Indeed water is fundamental to our life. In view of the vital importance of water for human, animal & plant life, for maintaining ecological balance and for economic and developmental activities of all kinds and considering its increasing scarcity, the planning and management of this resource and its optimal economical and equitable use has become a matter of national importance.

Your Company has been in the business of manufacturing, laying and jointing of pipelines of various pipe materials such as RCC pipes, Steel pipes, Prestressed Concrete pipes, Penstock pipes, Bar Wrapped Steel Cylinder pipes (BWSC), Prestressed Concrete Cylinder pipes (PCCP) etc., which provide infrastructure facility and development for drinking water supply projects, irrigation projects, Hydro Electric Projects, Sanitation and Sewerage Systems. For over three decades as a part of nation building, your Company has also been undertaking infrastructure development programmes by way of executing on turnkey basis the combined water supply projects i.e. undertaking the complete job of water supply from source to distribution centers which apart from manufacturing, laying and jointing of pipelines included construction of intake wells, water sumps, water treatment plants, water pumping stations, installation of pumping machineries, electro-mechanical works, branch mains, ground level reservoirs, elevated reservoirs, leading to executions of complete systems for water supply to various towns and villages of India.

2. OPPORTUNITIES AND THREATS:

Water is one of the most crucial elements in our national developmental planning for the 21st Century. The proper management of our limited water resources will be essential to ensure food security for country's growing population and to eliminate poverty. (Water Policy and Action Plan for India 2020: An Alternative).

The population of the country is expected to reach a level of around 139 Crores by year 2025 (Source:- National Water Policy 2002) which will further aggravate the scarcity of water to the people of India. As per Indian Census 2011, the population of India was 121 crores. A scarce natural resource, water is fundamental to life, livelihood, food security and sustainable development. India has more than 18% of the world's population, but has only 4% of world's renewable water resources and 2.4% of world's land area. There are further limits on utilizable quantities of water owing to uneven distribution over time and space. In addition, there are challenges of frequent floods and droughts in one or the other part of the country. With a growing population and rising needs of a fast developing nation as well as the given indications of the impact of climate change, availability of utilizable water will be under further strain in future with the possibility of deepening water conflicts among different user groups. Low consciousness about the scarcity of water and its life sustaining and economic value results in its mismanagement, wastage, and inefficient use, as also pollution and reduction of flows below minimum ecological needs. In addition, there are inequities in distribution and lack of a unified perspective in planning, management and use of water resources (Source:- National Water Policy 2012). As it is with the growing population demanding more food, more products and higher standards of living, the shortage

of drinking water can only get worse. Thus there is a vast scope for improvement in infrastructural developmental activities in water supply, drainage and sewerage schemes in sanitation Swachh Bharat segments leading to good scope for Company's manufacturing & contracting activities in this field.

Growth of population and the expansion of economic activities inevitably lead to increasing demands for water for diverse purposes i.e. domestic, industrial, agricultural, hydro-power, thermal power, navigation, recreation etc. Domestic and Industrial water needs have been largely concentrated in or around major cities, however the demand in rural areas is expected to increase sharply as the development programmes of State Governments to improve the economic conditions of the rural mass. Demand for water for hydro and thermal power generation and for other industrial uses is also increasing substantially. As a result water which is already scarce will become even scarcer in future. This underscores the need for the utmost efficiency in water utilisation and its distribution. Through awareness of efficient water supply system and water quality, we can keep our water supply adequate and provide clean & healthy water for our children. It is their fundamental right. Hence there is a good scope for many water supply projects coming up in near future and this auger well for your Company.

Increased competition from medium/large scale construction entities and availability of substitutes such as alternative pipe materials like Ductile iron pipes, Spirally welded steel pipes and H.D.P.E. pipes are perceived as one of the threat / competition to your Company. Another cause is prices of key raw materials namely steel, steel wires, HT wires and cement, which has remained volatile and uncertain except for steel during last year under review.

3. SEGMENT-WISE ACTIVITY:

The Company is considered a pioneer in the field of water supply industry; it is in this line for last 90 years. The Company's presence is there in almost all water supply related activities, viz. Urban & Rural Water Supply, Penstock for Hydro Power Generation, Tunnel Lining, Large diameter Irrigation pipelines, Head Works including pumping machinery, Treatment Plants, Overhead Tanks and other allied Civil Construction. The Company also supplies Concrete Railway sleepers to Indian Railways. The segment wise report is as under:

(B) Bar Wrapped Steel Cylinder (BWSC) Pipes/Prestressed Concrete Cylinder Pipes (PCCP):

The BWSC and PCCP pipes introduced by the Company as an alternative pipe materials to M.S. and D.I. pipes have become popular amongst various Government authorities. The Company has undertaken / is undertaking several projects involving BWSC pipes. To meet the demand of BWSC pipes, the Company had specially set up manufacturing plants at Choutuppal in Telangana, Chilamathur in Andhra Pradesh and Dhule in Maharashtra. These plants are running continuously with better productivity yields. In addition to the above the Company has also created facilities to manufacture these pipes in its existing factories at Miraj, Rajkot, Kanhan, Patancheru, Yelhanka, Thanjavur, Kekri, Sikar, Karari and Kovvur to cater the local demands. During the year under review, these plants produced 295.64 Km of BWSC pipes valued at ₹ 11,919.57 Lakhs.

During the year the Company has received orders worth ₹ 10,672.57 Lakhs for BWSC pipes, orders worth ₹ 3,484.95 Lakhs for PSC pipes and orders worth ₹ 16,225.58 Lakhs for PCCP pipes along with other civil works.

(C) Railway Sleepers:

The Company has manufactured 97,364 railway sleepers amounting to ₹ 1,485.47 Lakhs against the order(s) received from Ministry of Railway, Railway Board, New Delhi. During the year the Company has received work orders for 3,08,256 nos. railway sleepers worth ₹ 5,003.69 Lakhs.

(D) National Rifle Division:

The Company has a business under the brand of National Air Rifle at Vatva, Ahmedabad, since 1970, which manufactures Air Rifles / Air Pistols for sports and target shooting competitions. The Company manufactures 10 types of Air Rifles and Air Pistols of 0.177 (4.5mm) and 0.22" (5.5mm) calibers.

During the year, Ministry of Home Affairs had issued New Arms Rules vide Notification No.G.S.R. 701(E) dated 15.07.2016 replacing old Rules. The new Rules has made it obligatory for Buyers of 0.22 Air Rifles to hold Arms License and sale of such Air Rifles shall be only through licensed Arms & Ammunition Dealer. Further the new Rules entails high compliance and regulatory costs on the Company due to stringent provisions of the Rules as well as manifold increase in licence fees and hefty penalties. Due to above restrictions, the sale of 0.22 Air Rifles has been stopped, which constitutes significant portion of total sales of Air Rifles / Air Pistols. Consequently the Company is compelled to manufacture only 6 models of 0.177 Air Rifles / Air Pistols for target shooting practice and demand for the same is limited compared to demand for 0.22 Air Rifles. For sale of 0.177 (4.5mm) caliber Air Rifles and Air Pistols, the manufacturers are required to obtain Buyers identification and residence proof. The Manufacturers and Dealers are also required to apply for license from the Authority within one year of coming into force of new Arms Rules. The Company has since applied for manufacturing and Air Weapon Dealer licenses under the new Rules.

In view of stoppage of sale of 0.22 Air Rifles / Air Pistols, the Company has curtailed its operations and retrenched workmen. Overall outlook of this business, although very small and not forming part of principal segment of the businesses of the Company, looks uneconomical and uncertain at the moment.

4. Outlook:

During the last decade, Urban area limits are spreading wider and wider to peripheral areas, but at the same time, the basic amenities like Water Supply, Drainage, etc are not keeping pace with the requirement of more and more urbanization. Apart from the above, most of the rural areas in India fall short of access to drinking water.

Government of India, State Governments and local bodies are making best efforts to supply safe drinking water. Hence number of water supply schemes are under anvil. Further to make cities and rural areas under more hygienic conditions and endeavour towards Swachha Bharat number of sewerage disposals and drainage schemes are also coming up.

Considering the above factors, outlook for the Company in water supply, sewerage and drainage segments is encouraging and good.

5. Risks & Concerns:

The Company's activities and prospects largely depend on the implementation of various water supply related projects undertaken by various States / Central Government Agencies. The Company is doing business with various State Governments and it depends upon their policy on approval of finance and allocation of funds as well as their ability to raise funds to undertake such water supply projects amongst various infrastructure related projects being implemented by them. Adverse changes and lack of funds delays the work resulting in higher cost and can also affect the business prospects of the Industry and the Company. Severe competition from the manufacturers of alternative pipes like Ductile Iron, PVC Pipes, HDPE and Spirally Welded Steel pipes is existing and can affect Company's business prospects.

In the year under review, due to imposition of minimum import price policy on imported steel products by the Central Govt., the prices of imported steel became costly compared to local products. Due to shortage in supply of coking coal, a major ingredient of steel,

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

production capacities of manufacturers were hampered. This resulted in widening the gap between demand and supply. Due to this the domestic manufacturers of steel exorbitantly increased prices of steel. The prices of H R Coils, Steel Plates, D I & M S Pipes have gone up by more than 25% compared to last year.

Telangana Water Grid Project started in January, 2016 and suddenly there was a heavy demand for D I Pipes, HDPE Pipes & Cement. Due to demand supply mismatch, prices of these products have gone up sharply. The rise in prices of key raw materials will reduce margin and can affect Company's business prospects.

6. Internal Control Systems:

The Company has adequate internal control procedures commensurate with its size and nature of business that ensures control over various functions of the organisation. The internal control system provides for guidelines, authorisation and approval procedures.

The internal audit reports, post audit reviews are carried out to ensure compliance with the Company's policies and procedures.

7. Financial Performance with respect to Operational Performance:

For the year ended 31st March 2017, the revenue from operations of the Company was ₹ 1,79,954.10 Lakhs as compared to last year's revenue from operations of ₹ 93,893.91 Lakhs.

The profit before tax was ₹ 15,230.46 Lakhs as against ₹ 4,485.49 Lakhs achieved last year. The order book position was ₹ 2,656 Crores as of date of the report as compared to ₹ 3,097 Crores in the corresponding period of last year.

8. Human Resources and Industrial Relations:

The Company has 1329 permanent employees as on 31st March, 2017 working at various locations such as Factories / Projects / Head Office and Research & Development Division.

The Management has successfully negotiated and settled the demands of workmen working at its factories at Yelhanka, Patancheru & Choutuppal.

During the year the Company had organised training programmes on Industrial Safety, Health, Good Housekeeping for its workers/ employees at Dhule, Choutuppal, Miraj & Patancheru. The Company had also organised safety awareness training programmes at project sites situated at Badli (NUH) in Haryana and Firozabad (UP) for creating awareness about safety, health and importance of good housekeeping amongst the employees and the contractors.

Further the Company had organised training programmes at R&D Divn., Mumbai, Bhopal, Chennai and Hyderabad for newly recruited Engineers to apprise them about Company's policies and procedures, products and pipe laying work being carried out at project sites. Similar programme was also organised at Chennai, Bhopal & Mumbai for Sr. Engineers and Sr. Executives to apprise them about present marketing scenario, tender costing, safety measures to be taken while laying pipes at site etc.

The industrial relations with the workmen working at various units of the Company were by and large remained peaceful and normal.

9. Cautionary Statement:

Statements in this Management Discussion and Analysis Report describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable laws and regulations. Actual results might differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a schedule of implementation of various water supply related projects undertaken by various States / Central Government Agencies, significant changes in political and economic environment in India, exchange rate fluctuations, prices and availability of key raw materials like steel and cement, tax laws, litigations, labour relations and interest costs, etc.

Dividend of ₹ 3.20 per equity share amounting to ₹ 932.95 including dividend distribution tax was paid for the previous financial year ended 31st March, 2016.

TRANSFER TO RESERVES:

The Company do not propose to transfer any amount to General Reserve.

FINANCE:

During the year under review, liquidity position of your Company was maintained satisfactorily and optimum utilization of financial resources was achieved. Lower budgetary allocation of funds by some of the State Governments coupled with slow realization of funds in some projects as also a steep increase in the volume of work done did provide challenges to the availability of working capital. However, due to better working capital management, and faster realization of work bills vis-à-vis work done in Telangana, level of borrowing during the year could be contained to a comfortable level. Monetary policy of Reserve Bank of India continued to be anti inflationary, which in turn, resulted into softening of interest rates in the money market. Further, due to better negotiations of pricing with the lenders, the Company could keep effective cost of borrowings under control.

The Company has been prompt in meeting obligations towards its Bankers and other trade creditors.

DIRECTORS' REPORT

INCOME TAX ASSESSMENT:

The Income Tax assessment of your Company has been completed till assessment year 2014-15. The appeals filed by your Company, against the assessment orders for various financial years are pending with the Income Tax Appellate Authorities and Bombay High Court. The amount of disallowance involved in various appeals is ₹ 15,058.81 Lakhs. The major dispute is with regard to the execution of eligible infrastructure projects of water, sewerage, and irrigation. Out of the total disallowance, the amount of ₹ 14,670.85 Lakhs pertains to the disallowance made u/s 80IA of the I.T. Act, 1961. The balance amount of ₹ 387.96 Lakhs pertains to other items of disallowance such as sec. 14A disallowance, land valuation of Wadala property. The necessary provision for tax of ₹ 5,087.75 Lakhs has been made in the accounts except for the disallowance made u/s 14A, as the same disallowance has been deleted in the previous years by the First and Second Appellate Authority.

The appeals filed by the Income Tax Department are pending in the Bombay High Court for A.Y. 2003-04, A.Y. 2008-09 & A.Y. 2010-11. The issue involved for AY 2003-04 is claim of deduction u/s 80IA allowed by the Income Tax Appellate Tribunal, amounting to ₹ 1,068.27 Lakhs. However due to subsequent retrospective amendment made to sec. 80IA by Finance Act, 2009, as an abundant caution provision for the basic tax liability of ₹ 392.59 Lakhs on the claim of ₹ 1,068.27 Lakhs has been made in the accounts, hence there is no tax liability. The issue involved for the AY 2008-09 & AY 2010-11 is with regards to the claim of disallowance of expenses u/s 14A of the I.T. Act, 1961. The Income Tax Appellate Tribunal had deleted the disallowance made u/s 14A of the I.T. Act, 1961. In case if this disallowance is confirmed by the Bombay High Court then your company will have to make provision of tax of ₹ 31.78 Lakhs.

INDEPENDENT AUDITOR'S REPORT

To the Members of
The Indian Hume Pipe Company Limited

Report on the Financial Statements

We have audited the accompanying financial statements of The Indian Hume Pipe Company Limited ('the Company'), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in

India, of the state of affairs of the Company as at March 31, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

ANNEXURE 'B' TO THE AUDITORS' REPORT

Annexure - B to the Independent Auditor's Report of even date on the Financial Statements of The Indian Hume Pipe Company Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of The Indian Hume Pipe Company Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 SIGNIFICANT ACCOUNTING POLICIES

1.1 Method of Accounting

The Financial Statements have been prepared and presented under the historical cost convention on accrual basis of accounting in accordance with the accounting principles generally accepted in India and comply with the mandatory Accounting Standards ("AS") notified u/s 133 of the Act, read with Rules 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013.

1.2 Management Estimates

The Financial Statements are prepared in conformity with generally accepted accounting principles and applicable accounting standards, which may require management to make estimates and assumptions. These may affect the reported amount of assets and liabilities and disclosures of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting periods.

1.3 Revenue Recognition

A. Contract Revenue

Construction Contract Accounting

- a. Revenue arising from construction contracts is recognised in proportion to the stage of completion of work at the end of the accounting period in accordance with Accounting Standard-7, Accounting for Construction Contracts. Sales/Work Bills (Gross) represent running Bills raised against Value of the Work done either, to the extent certified and paid for by Contractees or on completed works. The company recognises profits for projects exceeding contract value of ₹ 500 crores after execution of 7.5 % and for others after execution of 10% of contract value.
- b. Trade Receivables include Work bills, Work & Other Retentions receivable.
- c. Advances against Work in Progress received from Contractees are presented as a reduction from the Contract Work in Progress and Trade Receivables.
- d. The Percentage of Completion is applied by calculating the proportion that contract revenue to date bears to the total contract value and adjustments are made to include only those costs that reflect work performed.
- e. Contract Revenue includes inventories against contracts at Factory and Project site/location and represents the value of the work done, not certified or not paid for by Contractees and are valued at Contract Price or at Proportionate Contract Price based on the equivalent stage of completion as estimated by Management inclusive of relevant excise duty.
- f. Provision is made for estimated future losses and estimated costs of post-works maintenance and warranties as per contractual terms.
- g. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. The changes in estimates are reflected in the financial statements in the period in which changes are made.

B. Sales (Other than Construction Contracts)

- a. Sales of Goods - mainly consist of sale of manufactured pipes/sleepers and sale of Air Rifles, Air Pistols and Accessories and Parts and Technical Know-how.
- b. Revenue from such sales is recognised on dispatches of goods from the factory.
- c. Sales are inclusive of excise duty.

1.4 Claims

Expenditure incurred in respect of additional costs/delays on contracts are accounted for in the year in which these are incurred. Claims made in respect thereof are accounted as income in the year of acceptances by the clients or evidence of acceptance received from the clients.

1.5 Government Grants and Subsidies

Government Grants and subsidies are recognised when there is reasonable assurance that the conditions attached to them will be complied and grant/subsidy will be received.

1.6 Export/Deemed Export Benefits

Cash compensatory support or export/deemed export related benefits on the works executed/under execution are accounted on confirmation/acceptance of such claims by relevant authorities and approved for payment.

1.7 Accounting for Joint Venture Contracts

For Contracts executed in Joint Venture, since there is no deployment of common resources, share of revenue is accounted on the basis similar to those adopted for contracts independently executed by the company.

SIGNIFICANT ACCOUNTING POLICIES

1.8 Fixed Assets - Tangible and Intangible Assets and Capital Work in Progress

- a. Fixed Assets are stated at cost including CENVAT wherever applicable, less accumulated depreciation and amortisation and provision for impairment of losses, if any.
- b. Self constructed/manufactured assets are capitalised at cost including appropriate overheads.
- c. Capital work in progress comprises of the cost of fixed assets that are not yet ready for their intended use as at the reporting date.
- d. Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortisation and provision for impairment of losses, if any.

1.9 Depreciation and Amortization

Depreciation on the assets is provided on Written Down Value Method on pro-rata basis as per the rates prescribed in Part C of Schedule II to the Companies Act, 2013. Individual low cost assets (acquired for ₹ 5000/- or less) are depreciated fully in the year of acquisition. Intangible assets are amortized over their respective individual estimated useful lives on a straight line basis commencing from the date the assets are available to the Company for its use.

1.10 Impairment

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An impairment loss will be recognised wherever the carrying amount of an asset exceeds its estimated recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to the present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. Previously recognised impairment loss is further provided or reversed depending on changes in circumstances.

1.11 Research and Development

Revenue expenses on research and development are charged to Statement of Profit & Loss and Capital Expenditure are included in fixed assets under relevant assets and depreciated on the same basis as other fixed assets.

1.12 Investments

Long term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of investments. Current investments are carried at the lower of cost and fair value.

1.13 Foreign Exchange Translation and Accounting of Foreign Exchange Transactions

- a. Foreign exchange transactions are converted into Indian rupees at the prevailing rate on the date of the transaction.
- b. Gains or losses arising out of remittance/translations at the year end are credited/ debited to the Statement of Profit and Loss.
- c. Monetary assets and liabilities are translated at the exchange rate prevailing on the last day of the year.

1.14 Inventories: Stock in Trade & Work in Progress

- a. The stock of raw materials, stores, bought outs and fuel are valued at cost on FIFO basis or net realisable value whichever is lower.
- b. Certain items of Pipe Laying and Auxiliary Equipments are classified as Current Assets and 95% of their original cost is amortised equally over a period of five years.
- c. Finished Goods including bought-out items not allocated to any particular contracts are valued at lower of cost on absorption method (inclusive of relevant estimated excise duty) or net realisable value.
- d. Goods-in-process are valued at cost or net realisable value whichever is lower.
- e. Products of the National Rifle Division at Vatva are valued as follows:
 - i) The Stock of Raw Materials, Stores, Bought outs and fuel are stated at cost on FIFO basis or net realisable value whichever is lower.
 - ii) Finished goods are valued at lower of cost or net realisable value and are inclusive of relevant estimated excise duty.
- f. Stock in trade of land is valued at cost or net realisable value whichever is lower.

1.15 Employee Benefits

i) Defined Contribution Plan

- a. Company's Contribution paid/payable during the year to Provident Fund, ESIC and Labour Welfare Fund are charged to Statement of Profit & Loss. There are no obligations other than the contribution payable to the respective trusts.

SIGNIFICANT ACCOUNTING POLICIES

- b. **Provident Fund:** The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the company make monthly contributions at a specified percentage of the covered employees salary. The contributions as specified under law are paid to provident fund and pension fund set up as irrevocable trust by the Company or to respective Regional Provident Fund Commissioner and the Central Provident Fund under the State Pension Scheme. The Company is generally liable for annual contributions and any shortfall in the fund assets based on government specified minimum rates of return of provident fund and recognises such contributions and shortfall, if any, as an expense in the year incurred.

ii) **Defined Benefit Plan**

- a. **Provident Fund:** In respect of certain employees covered by the Employees Provident Fund, the contributions towards shortfall in interest rate payable as per statute and the earnings of the Provident Fund Trust is considered as Defined Benefit Plan and debited to Statement of Profit and Loss.
 - b. **Gratuity and Leave Encashment:** Company's liabilities towards gratuity and leave encashment are determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Past Services are recognised on a Straight Line basis over the average period until the amended benefits becomes vested. Actuarial gain and losses are recognised immediately in the statement of Profit & Loss as Income or Expense. Obligation is measured at the present value of estimated future cash flows using a discount rate that is determined by reference to market yields at the Balance Sheet date on Government bonds where the currency and terms of Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation.
- iii) **Other Benefits:** Compensated absences for sick leave are provided for based on actuarial valuation. The actuarial valuation is done as per projected unit credit method.

1.16 **Taxation**

Income Tax expenses comprise of current tax, deferred tax charge/credit. Current Tax is recognised on the basis of taxable income determined in accordance with the provision of the Income Tax Act, 1961.

The deferred tax credit/charge is recognised on all timing differences subject to consideration of prudence, applying the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets/liabilities are reviewed as at each Balance Sheet date based on developments during the year and available case law to re-assess realisation/liabilities.

1.17 **Leases**

Lease rentals in respect of assets acquired under operating lease are charged to Revenue.

1.18 **Earnings per Share**

In determining operating and total earnings per share, the Company considers the operating net profit after tax and effect of any extra ordinary items (net of tax). The number of shares used in the computing basic earnings per share is the weighted average number of shares outstanding during the period.

1.19 **Dividends**

The Final dividend on shares is recorded as a liability on the date of approval by the shareholders, and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

1.20 **Contingencies and Provisions**

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate of the expenditure required to settle the obligation at the balance sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

A contingent liability is disclosed, unless the possibility of an outflow of resources embodying the economic benefit is remote.

Contingent liabilities are disclosed after careful evaluation of the facts and legal aspects of matter involved.

Contingent assets are neither recognised nor disclosed.
