## Chairman Letter

Dear Shareholders,

It is my privilege to write this letter to you and share some of my thoughts.

The Financial Year 2016-17 was a year of continuous changes and volatility. On the Domestic front, a good monsoon and the 7<sup>th</sup> pay commission implementation led to a stronger demand in the first half. The Automotive, Agriculture and Infrastructure sectors did well. However, business sentiment in the second half was a bit subdued due to a variety of reasons.

On the International front, post the US Elections, there was considerable volatility in the currency markets affecting exchange rates. Oil and feedstock prices increased significantly, putting pressure on the margins. Lastly, the continuing slowdown in China and stagnant Europe continued to affect the export of castings from our domestic foundry customers.

Overall the foundry production in India recorded a marginal increase of 3-4% over the previous year. This translated similar growth in the foundry chemical consumption.

For the year under report your Company focused on investing for growth and sustainability while keeping our market share in foundry chemicals intact. Gross Revenues from Operations grew to Rs. 181.34 crores from Rs. 172.35 crores in the previous year. EBIDTA this year dropped marginally to Rs. 18.79 crores as compared to Rs. 19.72 crores in the previous year, however, PAT improved to Rs.11.19 crores from Rs 10.41 crores.

The year ahead seems to be promising. The Central Government has made significant progress on the much awaited GST implementation which will help drive business growth. Focus on infrastructure and affordable housing will also help sustain the momentum of growth in the economy. Clearing the path for private sector investment in Defence and Railway production will have a positive impact on foundry chemical industry. Given these impetus, our country is likely to remain as one of the fastest growing economies in the World.

In keeping with the aspirations for growth, the Company successfully implemented a new ERP system for steering the business in the years ahead. The Capital expenditure program to upgrade and modernize manufacturing facilities was also completed successfully at both Tarapur and Bengaluru plants. Your Company recruited many young professionals across various functions to fortify its human capital. All these initiatives will ensure that your Company has a sustainable competitive advantage in the years ahead.

In the end, I would like to assure you that your Company will continue to strive and make all efforts for maximizing Shareholders' value and return.

Sincerely,  
**Vishal Pandit**  
Chairman

## ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 2(f) under the heading of "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' report of even date to the members of **IVP LIMITED** on the financial statements for the year ended March 31, 2017

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **IVP Limited** ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to

the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.
