Kellton Tech makes it to Forbes Asia's 'Best under a Billion' list

Hyderabad – Jul 28, 2017: [Kellton Tech](#), a global leader in digital transformation, achieved the proud distinction of being one among the three Indian companies to be featured on Forbes Asia's 'Best under a Billion', a list of top 200 public-traded companies in Asia-Pacific region.

For this year, Forbes Asia's 'Best Under a Billion' considered 18,000 candidates from the Asia-Pacific region, of whom the top 200 with consistent top-end and bottom-line growth were finally selected. Kellton Tech finds itself sharing the unique honour of representing India on Asia-Pacific stage.

For Kellton Tech, the recognition comes close on the heels of receiving "Best e-Governance Initiative of the Year" award at Businessworld-organized Digital India Summit 2017. Last year, Kellton Tech was recognized as the 19th and 193rd fastest growing technology company in India and Asia-Pacific respectively by Deloitte's initiative.

Expressing his delight on the occasion, Niranjan Chintam, Co-founder and Chairman, Kellton Tech, said: "We are happy on being part of public companies that are reliable growth engines. Kellton Tech will continue to contribute in elevating India's entrepreneurial credentials at the global stage. Coming from a prestigious publication like Forbes, this recognition is a strong validation of our robust growth fundamentals and our success in enabling enterprises to embrace their future through our digital transformation solutions."
