Sub: Clarification / Confirmation on news item "Religare Securities suffers cyber attack"

Ref: Emails dated July 18, 2017 received from BSE & NSE

This is with reference to the news item captioned "Religare Securities suffers cyber-attack" that appeared in The Financial Express and some other online media platforms on July 18, 2017. We would like to acknowledge and inform you that an incident similar to that of a virus attack was indeed observed by Religare IT security team on 17th July, 2017. The IT team immediately swung into action and took all possible steps to control and minimize the impact and damage. The incident was first observed and reported around 10.30 AM IST on 17th July, 2017. Some end user machines and few servers were affected. However, all sensitive data including client information was and continues to be safe and secure. The incident also did not impact our ongoing critical business operations such as trading terminals etc. Further, we would like to clarify that the incident also had an impact on the Lending and Health Insurance businesses as well. However, for those businesses too all core business applications and sensitive data were unaffected.

The Religare IT Team is working with our best of breed partner ecosystem to ensure smooth and seamless business continuity and is taking all possible steps to ascertain the reason for this incident and is also proactively working towards taking preventive measures going forward.

Further, the Company was not able to provide the above clarification on time as prescribed in the SEBI (LODR) Regulations, 2015 because of the reasons stated above.

We would like to confirm that the Company is aware and is in compliance of its obligations under Regulation 30 of the SEBI (LODR) Regulations, 2015, and assures you that it shall make appropriate public disclosures in accordance with the prevalent laws as and when there is a disclosable event.

This is for your information and records.
