## Review Report to

### The Board of Directors of Nestlé India Limited

We have reviewed the accompanying statement of unaudited financial results ("the Statement") of Nestlé India Limited ("the Company") for the quarter and six months ended 30 June 2017, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

Attention is drawn to the fact that the figures for the quarter and six month ended 30 June 2016 and for the year ended 31 December 2016 are based on the previously issued financial results and annual financial statements that were reviewed/audited by the erstwhile auditors (vide their unmodified limited review report of 29 July 2016 and unmodified audit report of 15 February 2017) as adjusted for differences in the accounting principles adopted by the Company on transition to Indian Accounting Standards ('Ind AS'), which have been reviewed by us. These adjustments have been reconciled to the net profit for the quarter and six months ended 30 June 2016 and year ended 31 December 2016 under the previously applicable Generally Accepted Accounting Principles with the total comprehensive income as reported in these financial results under Ind AS.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards i.e. Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Comparisons are with reference to quarter ended 30<sup>th</sup> June, 2016**

1. "Total Sales" for the quarter increased by 7.3%. "Domestic Sales" increased by 8.8% mainly due to increase in volumes supported by new product launches and rebuild of MAGGI Noodles, supplemented by better realisations. Growth was negatively impacted by softer trading in June ahead of the rollout of Goods and Services Tax.  
"Export Sales" dropped by 12.0% mainly due to lower sales of Milk & Nutrition products to Bangladesh and Middle East.
2. "Cost of materials consumed" [2(a)+2(b)+2(c)] as a percentage of total sales has increased due to higher commodity prices, particularly milk and its derivatives, which have not been fully passed on to the consumers.
3. "Excise Duty" has increased as the tax holiday in Pantnagar, Uttarakhand ended in June, 2016.
4. "Employee Benefits Expense" in the current period is impacted by implementation of a longer-term approach towards compensation of most factory employees in line with industry practice.
5. "Net Provision for Contingencies" is mainly for matters related to litigations and related disputes. Provisions for Contingencies/ Contingent Liabilities are recognised/ disclosed after a careful evaluation of the facts and legal aspects of the matter involved, in line with Ind AS 37 on "Provisions, Contingent Liabilities and Contingent Assets".
6. "Financial Income" has increased due to higher average liquidities partially offset by lower yields.
7. "Tax expense" has been impacted due to the end of first 5 years of Income Tax holiday @ 100% of the profits of Samalkha factory Unit II. For the next 5 years, Income Tax holiday will be applicable @ 30% for Samalkha factory Unit II.
8. The Board of Directors have declared second interim dividend for 2017 of ₹ 15.00 per equity share (Face value ₹ 10/- per equity share) amounting to ₹ 1,446.2 million, which will be paid on and from 16<sup>th</sup> August, 2017. This is in addition to the first interim dividend of ₹ 15.00 per equity share paid on 2<sup>nd</sup> June, 2017.
9. Based on the guiding principles given in Ind AS 108 on 'Operating Segments', the Company's business activity falls within a single operating segment, namely Food. Accordingly, the disclosure requirements of Ind AS 108 are not applicable.
10. Legal proceedings in the MAGGI Noodles issue are currently on before the Hon'ble Supreme Court. The issue has been adequately explained in the Annual Report 2015 and also in the press releases in 2015 available on the Company's website [www.nestle.in](http://www.nestle.in)
11. Previous period's figures have been regrouped/ reclassified wherever necessary to conform with the current period's classification /disclosure.

**THE ABOVE RESULTS AND THIS RELEASE HAVE BEEN REVIEWED BY THE AUDIT COMMITTEE OF THE BOARD AND APPROVED BY THE BOARD OF DIRECTORS AT THEIR MEETING HELD ON 26<sup>th</sup> JULY, 2017.**
