Dear Sirs,

Re: Financial Closure - Dubai Supreme Court and Automated Car Park facility

We wish to inform that Park Line LLC, a company incorporated by the consortium of ITNL International Pte. Limited, Singapore, a wholly owned subsidiary of the Company and Next Generation Parking Limited has achieved financial closure for development of the Dubai Supreme Court and Automated Car Park facility

The Project involves development of existing surface car park area into an integrated multi-use development to house the Supreme Courts Offices, its ancillary services and a state-of-the-art Robotic Car Park for 1232 spaces at a cost of USD 80 MM (approx. ₹530 Crore). The Concession provides right to develop, construct and maintain the Project and to collect revenue from the Project assets over a period of 30 years

Thank you

Yours faithfully,
For IL&FS Transportation Networks Limited
