Dear Sir,

Sub: - Increase in Import duty on crude and refined oil.

In a bid to protect the interest of farmers and the domestic oil processing industry The Ministry of Commerce on Friday; August 11, 2017 raised import duty on crude and refined oil to 15 per cent and 25 per cent from 7.5 per cent and 15 per cent earlier.

This initiative of Government will make Soya Oil extraction and refining segment more viable. Following the goods and services tax (GST) the increase in import duty on edible oils is also a welcome step by the government.

“SAOL with the capacity of 2500 Metric ton per day for extraction and refining of soya seed, is ready to take the advantage of changed favorable market conditions. Further we shall be able to utilize the unutilized capacity of soya extraction which will have direct positive impact on top line and bottom line growth of the Company,” said Mr. Anil Vishwakarma; Chief Financial Officer, Sanwaria Agro Oils Limited.

Thanking You

By the order of the Board of Sanwaria Agro Oils Limited
