## **CTE achieves Managed Service Provider Status from Amazon Web Services**

**Bengaluru, August 30, 2017:** Cambridge Technology Enterprises Ltd (CTE), a leading global technology company transforming organizations into "AI-first" leaders, is pleased to announce that it has achieved the Amazon Web Services (AWS) Managed Service Provider (MSP) Status.

The AWS Managed Services Program is designed for APN Consulting Partners who are skilled at cloud infrastructure and application migration, and deliver value to customers by offering proactive monitoring, automation, and management of their customer's environment. The AWS MSP Program equips CTE as a next-generation Managed Services Provider with the tools needed to deliver continuous innovation to customers around security, DevOps, proactive monitoring, and streamlined management of our customers' environment.

AWS Managed Service Provider Status is attained followed by rigorous audit where companies need to demonstrate expert skills on planning, building, integrating, operating, optimizing and provide security solutions on AWS. CTE clearly demonstrated expertise it has developed in AWS operations with proven customer success.

This delineates CTE's expertise as a Managed Service Provider with specialization in SLA based full stack 'Integrated Application Management' and 'Cloud Infrastructure' Managed services. CTE is one of the few organizations in the world with 100 percent AWS certified Cloud Operations Center providing 24/7/365; L1/L2/L3 support. AWS MSP Program takes CTE one step ahead in delivering continuous innovation to customers around security, DevOps, proactive monitoring, and streamlined management of their customer's environment.

"We are delighted about our achievement as AWS Managed Service Provider, and look forward to drive cloud costs optimization for our customers running on AWS, further strengthening our relationship with AWS," stated Aashish Kalra, Chairman of CTE. "This designation puts us into an elite group of MSPs in the AWS APN program and we are proud that we do and will continue to provide our customers the best services available."

## **About Cambridge Technology Enterprises**

Cambridge Technology Enterprises Ltd (CTE) is a leading global technology company transforming organizations into "AI-first" leaders. CTE is enabling its customers to create AI solutions that transform their businesses; by helping solve the world's complex and most interesting business challenges with AI. CTE gives organizations unparalleled access to cutting-edge technology by bringing together the best-in-industry using its years of expertise in building solutions for some of the world's largest and most innovative enterprises; leveraging Big Data, Cloud & Machine Learning experience. CTE's products and services address all the transformational AI needs of an organization — from strategic workshops to implementation of transformative business solutions through its AI as a Service (AlaaS). CTE's expertise across multiple domains makes it the preferred choice for organizations seeking an AI Partner to innovate and leapfrog the market. CTE is assessed at Maturity Level 5 for CMMI v1.3 with ISO 9001:2008, ISO 27001:2005 certifications.
