NEWS RELEASE

Sai Point Finance Corporation Ltd. goes live with Nucleus FinnOne Neo Cloud in Just 4 days

- *Leveraging digital and cloud technology for faster scalability*
- *Implements lending platform in just 4 days*
- *Selects end-to-end loan platform for strategic business growth*

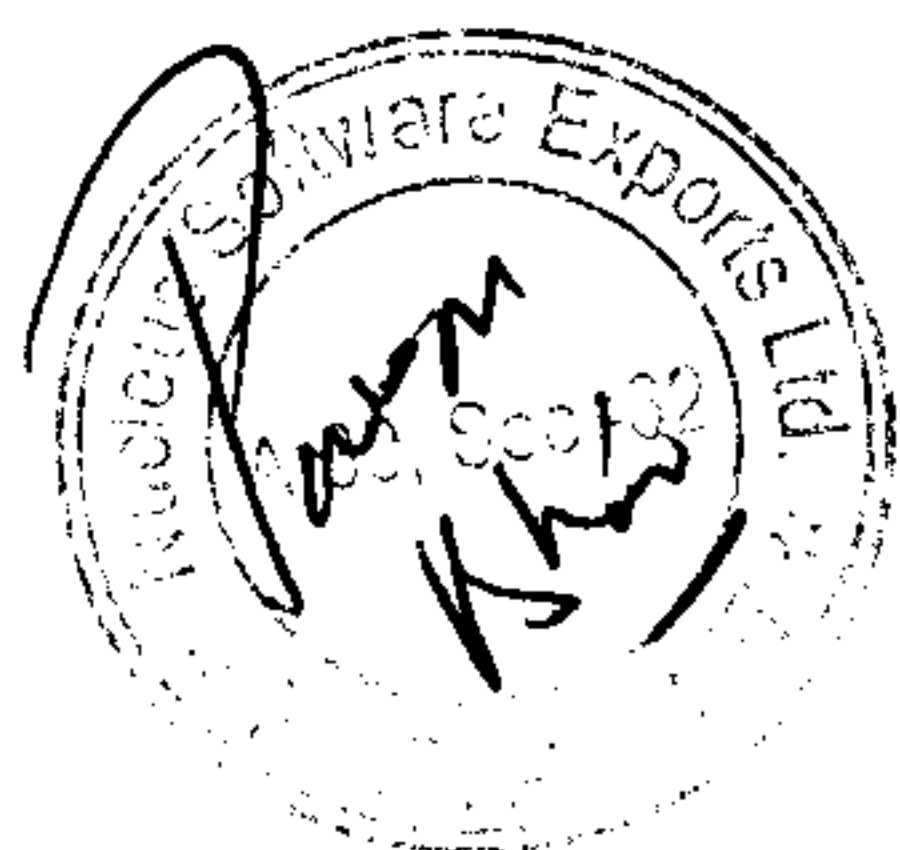

New Delhi, India. August 17, 2017- Nucleus Software, the leading provider of lending and transaction banking solutions to the global financial services industry, today announced that Sai Point Finance Corporation Ltd (SPFC), a Non-Banking Finance Company (NBFC) has gone live in just 4 days with FinnOne Neo Cloud. This solution will facilitate the end-to-end digitization of the company's lending business.

A research report published by Facebook in association with Bain and Company has predicted that by 2020 - 70% of auto sales in India will be digitally influenced. Over 40% of consumers are expected to use digital channels for vehicle service booking and 30% for purchase of accessories and spares. With an eye on the future, Sai Point Finance aims to digitize its end-to-end services for a better customer experience.

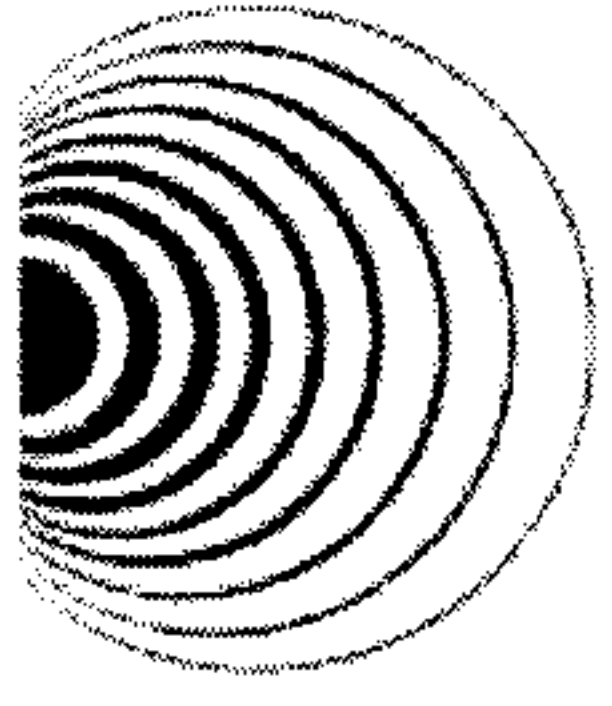

Sai Point Finance was established in 2002, with a vision of becoming a leading sales and service provider in the automotive sector. Today it serves over 300,000 customers across India and has a vision to open a SPFC Bank in future for extending easy and affordable credit to the common man. By doing this, the company aims to give back to society in a meaningful way. Nucleus Software's FinnOne Neo Cloud will help Sai Point Finance digitize their lending business while driving business innovation and positioning the company for future growth. FinnOne Neo Cloud, a comprehensive end-to-end loan lifecycle management product ensures credit decisions are taken in real-time, helping Sai Point Finance to meet the challenges of operating in a digital world. The company's use of FinnOne Neo Cloud will bring improved scalability, integrated mobility and enhanced efficiency. By leveraging the power of cloud, Sai Point Finance can focus on growth without worrying about managing information technology.

Mr. Dilip Patil, Managing Director of Sai Point Automobiles commented, "At Sai Point Finance, our mission is to continue to build our strong reputation for delivering innovative products backed by high quality, customer friendly services. The automotive industry is rapidly changing and we believe that there is a need to digitize and scale up our services. I am confident that Nucleus FinnOne Neo Cloud is the best technology platform to help us scale fast, grow and enhance our customer experience. Because of the Nucleus team's hard work, dedication and expertise, we went live in just 4 days which is outstanding and a unique experience for us".
