Review report to Oriental Trimex Limited

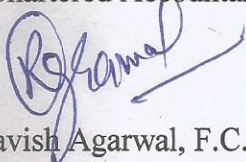

We have reviewed the accompanying statement of unaudited financial result of Oriental Trimex Limited for the Quarter ended 30th June, 2017. This statement is the responsibility of the Company's Management and has been approved by the Board of Director/committee of Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, *engagement to review financial statements* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of the Company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that cause us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standard and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
