Career Point inks six new agreements in tutorial division

28 August 2017, Kota: Career Point Ltd (NSE: CAREERP; BSE: 533260), nation's leading education player and training player has announced that the Company has signed six new agreements in tutorial division including 3 School Association Projects and 3 new Franchisee Centers at multiple locations. The school association projects are with different prestigious and renowned institutions including ISRO (Indian Space Research Organization) at Sriharikota (Andhra Pradesh), a unit of Indian Army at Mathura (UP) and Gramonnati Mandal at Narayangaon (Maharashtra). New franchisee centers are located at New Delhi, Patiala (Punjab) and Bhubaneswar (Orisa). The new partnerships are aimed to provide best in-class tutorial services of Career Point to students at these institutions preparing for Pre-Engineering, Pre-Medical and other competitive examinations.

"We are delighted to be associated with esteemed institutions including ISRO, Indian Army and Gramonnati Mandal. Career Point is committed to deliver education and services that are distinctive, result oriented and help students to find the best skills which they need to excel in various competitive examinations. The academic quality and service delivery of Career Point is already proven with outstanding results in various competitive examinations. We are confident that the partnership will indeed further help these institutions and their students in building an integrated learning environment of academic excellence." said Mr. Pramod Maheshwari, Chairman and Managing Director at Career Point Limited,

Adding further on the recent developments, Mr. Mahesh Bhangriya, Vice President – Corporate Strategy at Career Point informed that, "In this rapidly changing market dynamics of test-prep segment, our tutorial division has evolved much faster and focused on more efficient ways to grow the footprints. Signing new agreements for school association programs and launching new franchisee centers are in-line with our strategy to grow the tutorial division. At the same time, we are very cautious in selecting new franchisees or partners to be associated which is evident in high stature of company's existing partners.
