### Revenues

We began FY18 guiding 62-63mn sales volume based on annual off-take estimates of our customers. Q1FY18 witnessed de-stocking resulting in off-take deferment from some of our customers which has resulted in Sales de-growth. For Q1FY18, the revenue stood at Rs.432 crores as against Rs.493 crores reported during the same quarter previous year.

We continue to work closely with our Customers adding value to their Retail strategy. We have not lost any customer however we have refrained supplies to couple of financially stressed customers.

Based on our expectation of re-stocking commencing slowly, we estimate FY18 to be flattish.

### EBITDA and Margins

The company reported an EBITDA of Rs. 65 crores for Q1FY18 with a margin of 15.1%.

Rise in raw-material and operational costs coupled with lower absorption of fixed costs on account of lower volumes impacted the EBITDA margin for the quarter.

### Profit after Tax

Profit after tax for Q1FY18 is Rs. 32 crores

### Update on the Capex

The Board had approved CAPEX under Phase II for Rs.300 Crores. The Capital expenditure is for upgrading the existing Spinning Facilities, to add value-added equipment's for delivery of fashion and utility bedding and to invest in additional Weaving (with specialized looms) as a green-field project. The expansion is under progress.

### ICRA reaffirmed rating with Positive Outlook
