Chennai, August 14th 2017: TAKE Solutions Ltd. [BSE: 532890 | NSE: TAKE], a globally recognized knowledge and innovation intensive Life Sciences expert, today announced its financial results for Q1 FY18.

The Company, which embarked on a 5-year transformational scale-up journey in the previous year, commenced FY 18 on a tremendously positive note, reporting Q1 revenues of INR 3543.71 Mn, 11.6% growth over the corresponding period in the last year.

In line with the approach defined in its transformational scale-up initiative, TAKE announced the consolidated of its legacy life sciences businesses Navitas, Ecron Acunova and Intelent under the unified go-to-market brand Navitas Life Sciences. This consolidation brings together the legacy Navitas' technology led IP intensive solutions across Clinical, Regulatory and Safety, Ecron Acunova's full-service CRO and Clinical & BA/BE capabilities, as well as Intelent's Big Data Analytics expertise in the form of Navitas Life Sciences - an end-to-end provider of transformative solutions across technology, process and consulting, offering global clients full-service coverage of the Pharma and Biotech R&D market.

Srinivasan H.R., Vice-Chairman and Managing Director, TAKE Solutions said, "The consolidation of the distinct capabilities and niche expertise of our legacy brands as Navitas

Life Sciences has created a tremendously positive business impact, as can be witnessed by the strong Q1 numbers. We are excited to carry forward this momentum through the year as we grow from strength to strength on our mission to emerge as a 5 times larger enterprise by the year 2021.”
