Notes:

- The above unaudited financial results of the Company have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 15th September, 2017. The statutory auditors of the Company have conducted a "Limited Review" of the above unaudited financial results for the quarter ended June 30, 2017.
- The Company has adopted the Indian Accounting Standards (Ind AS) from 1st April, 2017 and these financial results have been prepared in accordance with the recognition and measurement principles prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India.

- 3 The financial results and other financial information for the quarter ended June 30, 2016 have not been audited or reviewed by the statutory auditors. However, the management has exercised necessary due diligence to ensure that the financial results provide a true and fair view of the Company's affairs.
- 4 Reconciliation of net loss for the quarter ended June 30, 2016 under Indian GAAP (Previous GAAP) and Ind AS is as under:

Particulars	(Rs. in Lakhs)
	Quarter ended Unaudited
Net loss for the quarter as per Previous GAAP	(128.12)
Add / (Less) : Adjustments for GAAP Differences	
Fair Valuation of Investments	(5.10)
Employee benefits - Remeasurement	0.12
Net loss for the quarter as per Ind AS	(133.10)

- 5 Due to the steep increase in power tariff, by TSSPDCL, the cost of production of Ferro Silicon has far exceeded the market prices, resultant in non recovery of even variable cost of production. Accordingly the company has closed down its production unit at Rudraram Village, Medak district since 19.06.2013. Further the company has entered into an agreement with the workers union for their retrenchment and necessary provisions has been made in the books of Accounts. However, the books of account are maintained under "going concern" concept, as the company has initiated effective steps to meet its power requirements by setting-up a 120 MW captive thermal power plant at Sirpur kagaznagar Mandal, Adilabad District through VBC Power Company Ltd, by transferring its power unit by way of demerger. The Statutory Auditors have qualified of the same for the year ended 31st March, 2017.
- 6 The auditors have qualified in their report for the year ended 31st March, 2017 regarding the non provision of Rs 19,06,53,769/- towards fuel surcharge adjustment and Rs 42,42,75,762/- towards load shortfall charged, as the matters are pending before various judicial/administrative authorities.
- 7 The Company operates in only one business segment of manufacturing ferro alloys.

REPORT ON THE LIMITED REVIEW CARRIED OUT ON THE UNAUDITED FINANCIAL RESULTS OF 'VBC FERRO ALLOYS LIMITED, HYDERABAD' FOR THE QUARTER ENDED 30th JUNE 2017.

1. We have reviewed the accompanying statement of standalone unaudited financial results of "VBC Ferro Alloys Limited, Hyderabad" for the quarter ended 30th June 2017. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on this financial statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, *Review of Interim Financial Information performed by the Independent Auditor of the Entity* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the standalone financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We draw attention to:
 - i) The company has received demands for fuel surcharge adjustment (FSA) from Southern Power Distribution Company of TS Ltd (SPDCL) pursuant to clause 45B of the Andhra Pradesh Electricity Regulatory Commission (Conduct of Business Amendment) Regulations 2003 (FSA Regulations). The levy has been a subject matter of challenge ever since the DISCOMS made their claim in the year 2010 in respect of the period 2008-09 onwards. The challenge with respect to 2008-09 and 2009-10 were initially accepted by a single Judge of the Andhra Pradesh High Court and the appeals filed by Discoms with respect to 2008-09 and 2009-10 are currently pending before the Supreme Court and a full bench of the Andhra Pradesh High Court respectively. With respect to the levy for the years 2010-11 to 2012-13 totalling to Rs 1906.54 Lakhs, no stay has been granted against the levy and collection of FSA charges. Pending the resolution of the legal course being

pursued by the company of the dispute, no provision has been made for the said demand in the books of account.

The Statutory Auditors have also qualified the above matters in their report for the year ended 31st March 2017.

- ii) The company has filed its objections before the various administrative authorities of CPDCL as per the directions given by Forum for Redressal of Consumer Grievances of CPDCL towards load shortfall charges for the period upto 31.03.2012 totalling to Rs 1510.14. Further the company received demand towards load shortfall charges for the years 2012-13 & 2013-14 totalling to Rs 2732.62 in January 2015. Pending disposal of its objections by the authorities, no provision towards load shortfall charges totalling to Rs 4242.76 has been made by the company. The company has not received any further demands for the years 2014-15 and 2015-16.

The Statutory Auditors have also qualified the above matters in their report for the year ended 31st March 2017.

- iii) Due to steep increase in the power tariff, the cost of production of Ferro Silicon has far exceeded the market prices, resulting in non recovery of even variable cost of production. Accordingly the company has closed down its production unit at Rudraram Village, Sangareddy district since June 2013. Further the company has entered into a memorandum of settlement with the workers' union on 30.06.2014 for their retrenchment. However, the books of account are maintained under "going concern" concept, as the company has initiated effective steps to meet its power requirements by setting-up a 120 MW captive thermal power plant at Sirpur Kagaznagar Mandel, Komaram Bheem District through a separate company, by transferring its power unit by way of demerger.

The Statutory Auditors have also qualified the above matters in their report for the year ended 31st March 2017.

- iv) The company has considered the diminution as temporary in nature in respect of the value of its investment of Rs 14306.46 in the equity of Konaseema Gas Power Ltd, whose net-worth has completely eroded and not in operation for more than four years.

The Statutory Auditors have also qualified the above matters in their report for the year ended 31st March 2017.

4. Based on our review conducted as above, except for the possible effects of our observations in para 3 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting practices and policies for the quarter ended 30th June 2017, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
