**Management Comments:**

Speaking on the results, **Mr. Vayu Garware, CMD, Garware-Wall Ropes Ltd.** said, "FY18 has started off well with healthy growths in our differentiated product portfolio. A focused approach to increasing our reach and market penetration in international markets has shown results in the first quarter. In the domestic markets, while overall growth is positive, there are some challenges in the implementation of GST which we expect will smoothen out over the coming months. Overall profit growth continues to be on plan."
